Naples Town Office Hours:

Town Clerk and Code Enforcement Offices	
Monday	8:00 a.m. to 1:00 p.m.
Tuesday – Friday	8:00 a.m. to 4:00 p.m.

The Town Clerk's Office is also open the first and last Saturday of each month from 9:00 a.m. to noon.

Both Offices are closed Sundays and Holidays.

PUBLIC WELCOME TO ATTEND MEETINGS

Citizen participation is a key element to efficient and effective local government. The Town of Naples' boards and committees welcome residents and taxpayers to attend meetings to ask questions and to express ideas and opinions. The Board of Selectpersons meet every other Monday for meetings or workshops as needed, the Planning Board meets on the first and third Tuesday of each month as needed, the Board of Appeals meets the last Tuesday of the month. Check with the Town Secretary to ensure a meeting is scheduled. These are only a few of the Boards and Committees that meet at the Town Office.

TAX EXEMPT REQUESTS

Tax exempt requests for the 2015-2016 tax year, (beginning July 1st, 2015) must be filed by April 1st, 2015.

HOMESTEAD EXEMPTIONS FOR REAL ESTATE TAXES

In 1998, the 118th Session of the Maine Legislature enacted significant property tax relief in the form of the Homestead Exemption. Qualified residents have assessed value of the "homestead" reduced, adjusted by the municipal assessing ratio. Each year a substantial number of Naples property owners take advantage of this program and have their property taxes reduced.

Qualified residents must apply to their local assessor prior to April 1, 2015 for the 2016 tax year. They must have owned a homestead in Maine for at least twelve months and declare their Naples residence to be their only permanent residence. If you have previously applied for this exemption, you do not need to reapply. Please contact the Town Clerks Office to receive an application.

VETERAN'S EXEMPTIONS FOR REAL ESTATE TAXES

If you are a veteran over the age of 62 (or an un-remarried widow of a veteran who would be 62 if alive); you have a primary residence in Naples; you or your deceased spouse served during a federally recognized war; or if you are a veteran who receives federal funds for 100% disability, then you may be eligible for a real estate property tax exemption. Contact the Municipal Offices at 693-6364.

STATE OF MAINE

BUSINESS PERSONAL PROPERTY TAX REIMBURSEMENT

If you purchased or transferred taxable business property to a Maine Location after April 1, 2004, you may be eligible for the Maine Property Tax Reimbursement Program. Brochures are available at the Municipal Offices.

PROPERTY TAX, RENT REFUND, AND ELDERLY DRUG CARD PROGRAMS

Are your property taxes more than 4% of your income? Is your rent more than 20% of your income? Do you spend more than 40% of your household income on prescription drugs? You may be eligible for the State of Maine Property Tax Refund Program, or the Elderly Low-Cost Drug Card Program. Brochures are available at the Municipal Offices.

OWNERSHIP AND ADDRESS UPDATES REQUESTED

Please notify the Municipal Offices when selling or transferring any property to help avoid errors in tax billing. Also, please notify the Tax Collector of any change in mailing address.

VEHICLE REGISTRATION REQUIREMENTS

Complete information is required before a vehicle can be excised and registered: current mileage, serial number, make, model, year, color, 6 or 8 cylinder, etc. Effective September 19, 1997, State Law requires you present the window sticker for all new vehicles to be registered and excised. State law also requires that you provide proof of insurance when registering your vehicle.

BOAT REGISTRATION REQUIREMENTS

Motorized watercraft must be excised and registered annually. All boat registrations now expire on December 31st of each year.

DOG LICENSES

Dog Licenses are due January 1st of each year. Rabies certificates are required before the license can be issued. Presentation of spaying or neutering certificate entitles the owner to a reduced fee. A \$15.00 late fee will be applied to dog licenses obtained after January 31st. A \$25.00 late fee will be charged after April 1st.

SEPTIC PERMITS REQUIRED

A permit is required from the municipal Offices for septic pumping. The permit enables the Town to monitor the proper disposal of all transported sewage. There is a \$5.00 fee for those contracting pumping services from haulers using the Lewiston-Auburn Disposal Facility.

BULKY WASTE/TRANSFER STATION PERMITS

To use the Bulky Waste or Transfer Station Facilities you must have a sticker on your vehicle. The sticker should be placed in the lower left corner of your windshield so the scale operator can easily see it. Remember when you register a new vehicle to ask for a sticker. The number on the sticker must match your license plate number. If you are borrowing a vehicle you will need to obtain a day pass, you may do this at the Town Office during business hours. If you have questions about what can and can't be taken to the facility please call them at 627-7585.

BULKY WASTE COUPON PROGRAM

Naples Property owners will receive one booklet per lot annually at the beginning of every July. Duplicates will not be issued. Pay the Gate: Naples Residents with a town recycling sticker can deliver refuse for \$0.05 per pound and brush/wood for \$0.25 per pound beyond the coupon(s) value. Commercial haulers must pay at the gate unless they have coupons and a coupon transfer from a Naples Property Owner. Bulky Waste Coupons: Annually each owner may have a coupon booklet issued to them. Each Booklet is worth 2,500 pounds of bulky waste. As the deliveries are made the Facility will take coupon(s) IN 20 POUND INCREMENTS. When a resident has delivered more weight than the coupons allow they must pay the overage at the gate. When a resident exhausts their coupons, they must pay at the gate.

Dedication to Frank Charles Gerrish Jr. 5/16/1927 - 8/10/2013

“A Man of Vision”

Frank Gerrish was born and raised in Aroostook County. At a young age, he left the County nearly penniless with barely enough gas to reach other relatives in Southern Maine to pursue other ventures. He was a maverick entrepreneur from the start. He delivered bar ice before there were refrigerators, managed and drove a bread truck route, drove across the country with tractor trailer trucks, raced stock cars, became a welder and then the facility manager, and a pilot. He, in fact, was the first ground school operator at the Portland Jetport and ran an air charter business from there. He bought and sold planes all over the country. He operated, built or bought, and sold several cranes and boom-trucks, as well as a few barges.

Frank first came to Naples in 1958 to visit a friend and co-worker, Jim Build, Sr. He soon realized all that Naples, and specifically the causeway, had to offer. He began drawing people to the town with seaplane and speedboat rides. His treks across country happened him upon the majestic paddle boats of the Mississippi River which inspired him to try the concept right here in Naples. In the winter of 1969 he worked closely with his cousin, Lloyd Cole, a building contractor from Kennebunk, to build the first Songo River Queen. In the spring of 1970, he launched the original Songo River Queen, powered at first by an 18 horse power outboard for the benefit of the building crew and the boat's first tour of Brandy Pond. An era had begun. He later added the U.S. Mailboat and para-sailing to the attractions of growing businesses along the causeway.

After fire destroyed the original “Queen” in the fall of 1981, a young girl, who loved the Queen, inspired Frank to build another boat by sending him a hand-printed letter and a dollar bill. Frank said it was this act of kindness from that little girl that swayed him to rebuild. The letter and dollar bill are still framed and prominently displayed on the Songo River Queen II. Both boats took many passengers through the two draw bridges and the Songo Locks and along the shores of Long Lake for over more than four decades. The River Queen was truly Frank's pride and joy!!

Since the inaugural first cruise of 1970 with his hard work, determination, and Yankee ingenuity, Frank continually made his mark in the pages of the Town of Naples' history. He gave many local people, young and old, an opportunity to work and grow. He was an inspiration to many and is sadly missed by his family and many friends.

**CODE ENFORCEMENT OFFICER'S REPORT
2014**

My name is Renee' Carter and I am the Code Enforcement Officer. I have enjoyed working for the Town of Naples for 2 years now. I have been a code officer since 1989 and it seems like there are always new questions to be answered every day. It's like Forest Gump said "life is like a box of chocolates you never know what you are gonna get" and there are days I get a new box. I feel we have made great strides and are working towards keeping the character and beauty that makes Naples so unique from other towns.

There were 149 building permits issued, of which 13 were new single-family residences. And there were 69 plumbing permits issued, of those 25 were new septic systems.

The Town is very fortunate to welcome two new commercial business, Dunkin Donuts and Family Dollar. Both businesses worked very hard to bring two beautiful buildings to our Town.

I have enjoyed working with the Selectboard, Planning Board, Appeals Board and Ordinance Review Committee. I am reminded daily how very nice and warm the residents are. I would also like to thank the staff for all of their hard work and dedication and giving me a helping hand when things are going crazy, and in the summertime, things are fast very paced.

Please stop in or call if you have any questions, I would enjoy talking with you and finding a solution.

Respectfully submitted,

Renee' Carter

Local Plumbing Inspector

Naples Recreation
Annual Report 2013-2014

It is the mission of the Naples Recreation Department to create recreational opportunities for growth and enhancement by developing diverse services and programs that promote citizen involvement and a strong sense of community while striving to increase the social, cultural, and physical well-being of its residents and visitors of all ages.

We had another great year in the Recreation Department. We continue to offer many programs such as youth football, basketball and soccer. For adults we offer pick-up basketball, aerobics and aquacize classes along with many senior citizen trips for people over the age of 60. Our summer programs include our Naples Kidventure Camp as well as Red Cross swim lessons in Long Lake. We also have our annual Halloween Party that we hold with conjunction with the Casco Parks and Recreation Department, our Family Fun Skate night and our Youth Football Golf Outing. All of the programs that we have could not and would not be possible without the work of great volunteers, and I want to say “THANK YOU” for all of your hard work and dedication.

Respectfully submitted,

Harvey R Price Jr.

Recreation Director

Planning Board
Year Ended 6/30/14

As the current year began, the Planning Board started to experience an increase in agenda items which is probably related to the improvement in economic conditions. We approved two major site plan applications – Dunkin Donuts and Family Dollar Store located on adjacent parcels on Route 302.

Dunkin Donuts will be built on the site of the former Village Side Restaurant which will be demolished. The Board was satisfied with the plan which provided adequate parking and an extra-long drive through lane to prevent traffic backups. We had some concerns about traffic safety with eastbound traffic making left turns. We met with the applicant and the Maine Department of Transportation to express our concerns and it was determined that the applicant would install a left turn lane. We also asked that the applicant provide a right of way to the adjacent proposed Family Dollar Store. The applicant also agreed to make provision for the existing snowmobile trail.

The Family Dollar Store will share the existing entrance with Aubuchon Hardware. We were concern about the appearance of the unbroken sides of the proposed building which had a “warehouse like appearance”. The applicant agreed to break up the long sides with false windows and to add additional landscaping in the front. We also asked that the applicant provide a right of way to the adjacent Dunkin Donuts.

In addition to these two major projects, we had two minor site plans. One allowed Rite Aid to use 5 parking spaces in the rear of the store to locate a storage trailer and another allowed a take-out sandwich shop on Route 302 and Sand Road.

We approved two Shoreland Zoning applications. Sebago Lake Estates was allowed to construct a private boat ramp subject to DEP approval and the existing Winsor Green Dock system was legalized and a three foot extension was approved for the southern dock.

We approved a minor subdivision for a family parcel on Wiley Road, vacated another previously approved subdivision, and made a minor change in the building envelope on another previously approved subdivision.

Finally, we gave conditional approval to the Naples Maine Street Festival on July 26, 2014. Approval was conditional because actual locations could not be determined until the snow cover was gone

Naples Fire and Rescue Annual Report 2014

This has been an exciting and busy year for the department. We recently completed the upgrades to Engine 4. This included a new chassis allowing four staff to respond in the vehicle, additional lighting, and painting. The chassis was purchased through fundraising efforts of the department also retired the aging Forestry unit replacing it with a previously purchased utility truck outfitted with forestry pumps, hoses, and tools. The department also purchased an All-Terrain Vehicle which will be placed in-service in June; this apparatus is a multi-use vehicle configured for limited access rescue and forestry fire attack.

The rescue has seen several upgrades in equipment, with the most significant being the Zoll Defibrillators and Automatic External Defibrillator. The upgrade gives our responders real time feedback on the quality of CPR being administered, advance EKG interpretation and real time hospital review. Other equipment purchased included refrigeration units to keep cooled intravenous fluids and intravenous pumps for use when administering lifesaving medication. EMT's also completed state mandated training on new rules regarding care and transport of patients.

The department responded to 761 fire and emergency calls which included 402 medical calls, 18 building fires, 14 chimney fires, and 15 fire alarm soundings. The department continues to provide 24 hour in-house rescue response with 10 per diem staff and 30 call company firefighters. I would like to thank the businesses and residents for their continued support as well and the per diem and volunteer firefighters and officers for their hard work and support.

Sincerely,

Chris Pond

April 4, 2014

Dear Citizens of Naples,

On behalf of the men and women of the Cumberland County Sheriff's Office, as we embark on another year of service to the citizens of Naples, please know that we shall continue our commitment of providing prompt, efficient and professional law enforcement services.

The Cumberland County Sheriff's Office has made some technological improvements that have proven to help our patrol deputies be more effective and efficient while performing their law enforcement duties. This technology has already been integral in solving and alleviating crimes as well as improving quality of life.

The Cumberland County Sheriff's Office has been working for the past year and a half toward accreditation through the Commission for Accreditation of Law Enforcement Agencies (CALEA). The Accreditation process is a proven and widely utilized law enforcement management model. As we continue to implement the necessary changes to become accredited, I am confident that it will further enhance our current commitment to providing the communities that we serve with efficient and quality use of resources and delivery of services.

Please know that I am open to your suggestions and input, as together we continue to build a law enforcement agency that accepts only excellence. I am honored to serve as your Sheriff and I appreciate your support.

Best Regards,

STATE OF MAINE
OFFICE OF THE GOVERNOR

Paul R. LePage
GOVERNOR

February 24, 2014

Town of Naples
PO Box 1757
Naples, ME 04055-1757

Dear citizens of Naples:

As a state, we have taken great strides over the course of the past years.

Growing our economy, decreasing our energy costs, and improving our educational system are the priorities of my administration. Maine needs to create a pro-growth environment that encourages our businesses to create jobs. It is critical that we focus on promoting policies which support and attract new investment. To achieve this, we need to keep taxes low on our families and businesses, and find ways to increase efficiency in government while protecting our most vulnerable citizens.

We have made great progress toward these endeavors. We passed **the largest tax cut in Maine's history**. Two-thirds of Maine taxpayers will get income tax relief, and 70,000 low-income Mainers will no longer pay income tax. My goal is to continue to drive down Maine's income tax.

We are striving to also cut the cost of electricity through our spearheading of a regional effort with Massachusetts, Connecticut and Rhode Island to expand the use of hydropower in Maine. Additionally, Maine is currently one of the fastest states in natural gas expansion.

We have passed legislation that will decrease the cost of health insurance for school districts, allowing more money to be spent in the classroom. Putting students first is important to me. Education is what saved my life, and I want every child in Maine to have the same opportunity I had. With the passage of charter school legislation, hundreds of families now have options for their children.

There's still a lot to do. The recent decision by the legislature to take money from our state's rainy day fund in order to pay revenue sharing in 2015 is fiscally irresponsible. We need government decision makers to act responsibly.

Maine has a great tradition of civic involvement and citizen participation in the decision making process. Thank you for taking the time to become informed and for working with your neighbors to hold government accountable.

It is a pleasure serving as your Governor. If ever I can be of assistance to you or you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

Sincerely,

Paul R. LePage

Dear Friends:

It is a privilege to represent Maine in the U.S. Senate, and I welcome this opportunity to share some of my work from the past year.

Encouraging the creation of more jobs remains my top priority. I have developed a Seven Point Plan for Jobs in Maine, which includes proposals to spur small business investment, ensure robust workforce education and training, reduce regulatory red tape that stifles job creation, support Maine agriculture and manufacturing, and invest in the infrastructure needed to expand our economy. Traditional industries and small businesses remain the backbone of Maine's economy, and innovation will be important for future jobs as well. I have supported Maine's effort to lead the world in deepwater wind technology and was proud when the University of Maine and its private sector partners launched the first prototype this year. This emerging industry has the potential to create thousands of good jobs here in Maine.

BIW remains a major Maine employer and is critical to our national security. I have worked hard to support the Navy's request for a 10th DDG-51 and to continue construction on the DDG-1000s at the shipyard. This year's annual defense policy bill also contains more than 30 provisions to eliminate sexual assault from our military, including several provisions that I authored.

Partisan divisiveness in Washington continues to prevent us from addressing some of our nation's most serious challenges. Gridlock reached a peak in October with the federal government shutdown that pushed our country to the brink of defaulting on its financial obligations and damaged our economy. As the shutdown continued with no end in sight, I presented a proposal I believed both sides could support. Within days, I was leading a bipartisan coalition of 14 Senators that worked night and day to craft a plan to reopen government, avert default, and restart negotiations on a long-term plan to deal with our nation's unsustainable debt of more than \$17 trillion. Known as the "Common Sense Caucus," we will continue to work to develop solutions and bridge the partisan divide.

Earlier this year, across-the-board federal spending cuts known as "sequestration" took effect. These indiscriminate cuts jeopardized priorities from national security to medical research and stand in stark contrast to the thoughtful and thoroughly debated spending priorities set at town meetings throughout Maine. To bring some Maine common sense to this process, I authored bipartisan legislation to allow federal agencies to set priorities in administering the required cuts and wrote a new law to ensure that sequestration would not disrupt air travel, which plays such an important role in fueling Maine's tourism economy.

I have also enjoyed my work as the ranking member of the Senate Special Committee on Aging where, with Senator Bill Nelson of Florida, we work on issues of critical importance to Maine seniors. The committee has created a toll free hotline (1-855-303-9470) to make it easier for senior citizens to report fraud and scams and to receive assistance. I also serve as the Senate Co-Chair of the task force on Alzheimer's, a devastating disease that takes a tremendous personal and economic toll on more than five million Americans. Better treatment for Alzheimer's and ultimately finding a cure should be an urgent national priority.

Finally, I am proud to reflect our famous Maine work ethic by completing another year of service without missing a single roll call vote. I have not missed a vote since I was elected – a streak that stands at more than 5,300 in a row.

May 2014 be a good year for you, your community, and our great State of Maine.

Sincerely,

Susan M. Collins
United States Senator

Annual Report to the Town of Naples

A Message from Senator James Hamper

Dear Friends and Neighbors:

It is an honor to represent you in the Maine Senate, and I am grateful for the opportunity.

Recently our state has experienced some encouraging economic news. Maine's unemployment rate is now at its lowest point since 2008. In fact, Maine has created 8,000 new jobs since 2010. In October, Maine was named by the Federal Reserve Bank of Philadelphia as one of eleven states with a significant growing economy. Despite this good news, we still have a lot of work ahead of us to improve our state's business climate and create new job opportunities.

The greatest accomplishment of the Legislature this past year was paying off Maine's \$500 million hospital debt. The debt was generated by services provided to MaineCare patients at the hospital and was a burden to our state's credit rating. The Legislature eventually adopted a plan proposed by the Governor, which uses the state's liquor contract as a source of revenue to pay the debt. Maine's hospitals received final payment for this longstanding debt this fall. My service on the Health and Human Services Committee allowed me to work on this proposal very closely.

The Legislature also passed a \$6.3 billion two-year budget. This budget raised the sales tax by 10 percent and the meals and lodging tax by 14 percent. These increased taxes went into effect October 1, 2013. The Legislature adopted a sunset to the new rates, returning rates to the previous levels on June 30, 2015. However, additional legislative action could extend those rates beyond that date. The budget also increased by 20 percent the amount of taxpayer money that will be used for political campaigns for the Maine Legislature. I did not vote in favor of the budget proposal when it came before the Senate. I could not support increasing taxes on Maine families while also voting to increase taxpayer funds for political campaigns. I believe Maine families deserve their hard earned money more than political candidates running for office.

Please feel free to contact me if you ever need my help in navigating the state bureaucracy. You may contact me in Augusta at 287-1505 or directly at 539-4586 or by email at senatorhamp@gmail.com.

I do send out regular legislative updates; if you wish to be included on this distribution list please send me your email address.

Sincerely,

Senator James Hamper

INDEPENDENT AUDITORS' REPORT

Board of Selectmen
Town of Naples
Naples, Maine

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Naples, as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Naples as of June 30, 2013, and the respective changes in financial position and cash flows, where applicable, thereof for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 through 11 and budgetary comparison information on page 41 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Naples's basic financial statements. The combining and individual non-major fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual non-major fund financial statements are the responsibility of management and were derived from and related directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**REQUIRED SUPPLEMENTARY INFORMATION
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2013**

(UNAUDITED)

The following management's discussion and analysis of the Town of Naples financial performance provides an overview of the Town's financial activities for the fiscal year ended June 30, 2013. Please read it in conjunction with the Town's financial statements.

Financial Statement Overview

The Town of Naples basic financial statements include the following components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also includes required supplementary information which consists of the general fund budgetary comparison schedule, and other supplementary information which includes combining and other schedules.

Basic Financial Statements

The basic financial statements include financial information in two differing views: the government-wide financial statements and the fund financial statements. These basic financial statements also include the notes to financial statements that explain in more detail certain information in the financial statements and also provide the user with the accounting policies used in the preparation of the financial statements.

Government-Wide Financial Statements

The government-wide financial statements provide a broad view of the Town's operations in a manner that is similar to private businesses. These statements provide both short-term as well as long-term information in regards to the Town's financial position. These financial statements are prepared using the accrual basis of accounting. This measurement focus takes into account all revenues and expenses associated with the fiscal year regardless of when cash is received or paid. The government-wide financial statements include the following two statements:

The Statement of Net Position – this statement presents *all* of the government's assets, deferred outflows of resources, liabilities and deferred inflows of resources with the difference being reported as net position.

The Statement of Activities – this statement presents information that shows how the government's net position changed during the period. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of the related cash flows.

Both of the above mentioned financial statements have one column for the one type of town activity. The type of activity presented for the Town of Naples is:

- *Governmental activities* – The activities in this section are mostly supported by taxes and intergovernmental revenues (federal and state grants). Most of the Town's basic services are reported in governmental activities, which include general government, public safety, public works, education, health and sanitation, recreation and culture and other unclassified.

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Town of Naples, like other local governments uses fund accounting to ensure and demonstrate compliance with financial related legal requirements. All of the funds of the Town of Naples can be divided into two categories: governmental funds and fiduciary funds.

Governmental funds: Most of the basic services provided by the Town are financed through governmental funds. Governmental funds are used to account for essentially the same functions reported in governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, the governmental fund financial statements focus on near-term inflows and outflows of spendable resources. They also focus on the balance of spendable resources available at the end of the fiscal year. Such information will be useful in evaluating the government's near-term financing requirements. This approach is known as the current financial resources measurement focus and the modified accrual basis of accounting. Under this approach revenues are recorded when cash is received or when susceptible to accrual. Expenditures are recorded when liabilities are incurred and due. These statements provide a detailed short-term view of the Town's finances to assist in determining whether there will be adequate financial resources available to meet the current needs of the Town.

Because the focus of governmental funds is narrower than that of government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities. These reconciliations are presented on the page immediately following each governmental fund financial statement.

The Town of Naples presents four columns in the governmental funds balance sheet and the governmental fund statement of revenues, expenditures and changes in fund balances. The Town's major governmental funds are the General Fund, Highways and Bridges, and Chaplin Trust. All other funds are shown as nonmajor and are combined in the "Other Governmental Funds" column on these statements.

The general fund is the only fund for which the Town legally adopted a budget. The Budgetary Comparison Schedule – Budgetary Basis – Budget and Actual – General Fund provides a comparison of the original and final budget and the actual expenditures for the current year.

Fiduciary Funds: These funds are used to account for resources held for the benefit of parties outside the Town of Naples. These funds are not reflected in the government-wide financial statements because the resources of these funds are not available to support the Town's own programs. The accounting used for fiduciary funds are much like that of proprietary funds. They use the accrual basis of accounting.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the Government-Wide and the Fund Financial Statements. The Notes to Financial Statements can be found following the Fiduciary Fund Financial Statements.

Required Supplementary Information

The basic financial statements are followed by a section of required supplementary information, which includes a Budgetary Comparison Schedule – Budgetary Basis – Budget and Actual – General Fund.

Other Supplementary Information

Other supplementary information follows the required supplementary information. These combining and other schedules provide information in regards to nonmajor funds, capital asset activity and other detailed budgetary information for the general fund.

Government-Wide Financial Analysis

Our analysis below focuses on the net position, and changes in net position of the Town's governmental activities. The Town's total net position decreased by \$562,525 from \$10,202,314 to \$9,639,789.

Unrestricted net position - the part of net position that can be used to finance day-to-day operations without constraints established by debt covenants, enabling legislation, or other legal requirements - decreased to a balance of \$4,045,744 at the end of this year.

Financial Analysis of the Town's Fund Statements

Governmental funds: The financial reporting focus of the Town's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information may be useful in assessing the Town's financial requirements. In particular, unassigned fund balance may serve as a useful measure of a government's financial position at the end of the year, and the net resources available for spending.

The general fund total fund balance decreased by \$141,271 from the prior fiscal year. Highways and bridges decreased by \$133,692, while the Chaplin trust increased by \$7,094. The non-major fund balances increased by \$163,995 from the prior fiscal year.

Budgetary Highlights

There was a significant difference between the original and final budget for the general fund. The difference was the use of committed fund balances.

The general fund actual revenues exceeded budget by \$51,899.

The general fund actual expenditures were under budget by \$647,431. All expenditure categories were under budget.

Capital Asset and Debt Administration

Capital Assets

As of June 30, 2013, the net book value of capital assets recorded by the Town increased by \$10,681 from the prior year. This is the result of current year additions of \$794,548 less current year depreciation of \$783,867.

Street, except where the language is more specific, means any public street, sidewalk, alley, path, park, playground or other Town-owned or Town-controlled property, or any portion thereof, which is open for use by the public as a matter of right or privilege.

Works of Art means materials or objects with expressive content such as paintings, prints, photography or sculpture.

Section 1.5 INSURANCE & INDEMNIFICATION REQUIRED

A. Insurance.

All persons who receive a license from the Town pursuant to this Ordinance shall be required, to the Town's satisfaction, to maintain in full force and effect at all times, a policy of comprehensive public liability insurance with limits of no less than \$400,000 for bodily injury, death and property damage, naming the Town of Naples as additional insured. A certificate of insurance must be provided before a street vendor's license is issued.

B. Indemnification.

All persons who receive a license from the Town pursuant to this Ordinance shall be required to defend, indemnify and hold the Town harmless from any claims resulting from licensed activities.

**ARTICLE II
STREET VENDORS AND ARTISTS**

Section 2.1 LICENSES

A. Street vendor's license required.

- (1) With the exception of the activities described in Section 2.1.B, all street vendors are required to have a license from the Town.
- (2) Street vendor's licenses shall be issued for a period of one year.
- (3) ~~Temporary street vendor's licenses for participation in sidewalk sales, street festivals or other special events may be issued for a period of no less than one (1) day and no more than five (5) days.~~
- (4) ~~No temporary street vendor's licenses shall be issued for vendors on private property.~~

B. License not required for certain activities.

No street vendor's license shall be required for:

- (1) Conducting business on Town-owned property pursuant to a lease, contract, or other agreement with the Town;
- (2) Operating a licensed farmer's market stall;
- (3) Activities conducted by Municipal departments.
- ~~(3)(4) The sale of goods, services, food or beverages within the boundaries of a Town-approved street festival, sidewalk sale, or other special event with the permission of the event organizer.~~

C. Compliance with regulations.

Street vendors exempted from the license requirement must still comply with all federal, state and local laws and ordinances and with any time, place and manner restrictions applicable to licensed street vendors such as, for example, hours of operation. Any license issued under this Ordinance shall contain such terms, conditions and restrictions as the Municipal Officers shall require. Said licenses may be subject to such terms and conditions as the Municipal Officers or their designee deem advisable, including restrictions on the time, place and manner of operation.

D. Revocation.

Licenses authorized under this Ordinance may be revoked at any time for cause by the Municipal Officers or their designee upon actual notice to the holder and an opportunity to be heard.

E. Abandoned License.

Street vendors operating on public or private property pursuant to an annual license shall be deemed to have abandoned the license upon an absence from the designated location for a period of two consecutive weeks. Upon such abandonment, the Town may revoke the license and, if on public property, may assign the designated vendor location to another qualified applicant.

Section 2.2 STREET VENDORS ON PUBLIC PROPERTY

The following provisions shall apply to street vendors operating on property owned or controlled by the Town.

A. Location.

- (1) The Town may establish designated street vendor locations on public property for assignment to qualifying applicants through the issuance of annual licenses.
- (2) There may be a limited number of street vendor locations established by the Town.
- (3) In the event that the Town receives more qualified applicants than available street vendor locations, the Town shall create a waiting list for said qualified applicants and administer the waiting list in a manner that is in the best interest of the Town.

B. Operation.

- (1) Street vendors shall operate in compliance with this Ordinance, with any rules or regulations adopted by the Municipal Officers, and with any license conditions.
- (2) Street vendors shall operate only from a designated vendor location established by the Town, pursuant to an annual license approved by the Municipal Officers.
- (3) Street vendors shall operate only from a kiosk that is approved by the Town and shall display at all times a numbered license issued by the Clerk's office.

- (4) No license issued under the provisions of this Ordinance shall be used at any time by any person other than to whom it was issued.
- (5) Unless otherwise authorized by the Town, the kiosk shall be removed at the end of each day and the space shall be cleaned of all debris.
- (6) The kiosk shall be removed when necessary for Town maintenance of public property, including but not limited to mowing, watering and maintaining grass and vegetation. Kiosks may be temporarily relocated to alternate open space during such maintenance periods.

C. Sale of goods.

Street vendors who sell or offer to sell goods or services are prohibited from using any equipment or selling or offering to sell any goods or services not specifically authorized by the license and shall not operate in any manner that would constitute an unfair or deceptive trade practice under state law.

D. Sale of food or beverages.

- (1) The sale of food or beverages by street vendors shall only be permitted from a fully licensed mobile food service establishment.
- (2) Street vendors shall provide approved waste paper receptacles for use by customers, shall maintain the immediate area free of litter generated by customers, and shall arrange for proper disposal of waste.
- (3) The sale of food or beverages from food trucks is prohibited.

E. Street festivals, sidewalk sales and special events.

- (1) Street vendors licensed for operation on public property may operate in their designated vendor locations within and during street festivals, sidewalk sales or other special events.
- (2) ~~Street vendors operating within the boundaries of a Town-approved street festival, sidewalk sale or other special event, with permission of the event organizer, are not required to obtain a street vendor's license.~~
The Town may issue temporary street vendor licenses for operation within street festivals, sidewalk sales or other special events, provided that the applicant meets all of the requirements set forth in this Ordinance and that the organizer of the street festival, sidewalk sale or other special event has approved the street vendor's participation in the event.

F. Ice Cream Trucks.

- (1) No ice cream truck shall stop at any time for the purpose of making sales on or along that portion of Route 302 between Goodridge Drive and Lake House Road, commonly known as the Causeway.
- (2) No ice cream truck shall stop at any time for the purpose of making sales if such stop is located within five hundred (500) feet of a licensed fixed or mobile food service establishment.
- (3) No ice cream truck shall stop for the purpose of making sales if such stop prevents the safe passage of other motor vehicles on the public street.

Section 2.3 STREET VENDORS ON PRIVATE PROPERTY

The following provisions shall apply to street vendors operating on private property.

- A. Location.**
Street vendors shall only operate in the Commercial and Village Districts.
- B. Operation.**
- (1) Street vendors shall operate in compliance with this Ordinance, with any rules or regulations adopted by the Municipal Officers, and with any license conditions.
 - (2) Street vendors shall only operate pursuant to an annual license approved by the Municipal Officers.
 - (3) Street vendors shall display at all times a numbered license issued by the Clerk's office.
 - (4) No license issued under the provisions of this Ordinance shall be used at any time by any person other than to whom it was issued.
- C. Sales and display area.**
- (1) Street vendors shall operate in an area located entirely on private property and no more than one hundred (100) square feet, with a display area not exceeding fourteen feet (14') in height.
 - (2) Individual street vendors shall be separated by no less than twenty-five feet (25').
 - (3) Unless otherwise authorized by the Town, merchandise shall be removed at the end of each day and the sales area cleaned on a daily basis.
 - (4) The owner of the property shall provide toilet facilities to the vendor.
- D. Sale of goods.**
Street vendors who sell or offer to sell goods or services are prohibited from using any equipment or selling or offering to sell any goods or services not specifically authorized by the license and shall not operate in any manner that would constitute an unfair or deceptive trade practice under state law.
- E. Sale of food or beverages.**
- (1) The sale of food or beverages by street vendors shall only be permitted from a fully licensed mobile food service establishment.
 - (2) Street vendors shall provide waste paper receptacles for use by customers, shall maintain the immediate area free of litter generated by customers, and shall arrange for proper disposal of waste.
 - (3) The sale of food or beverages from food trucks is prohibited.

Section 2.4 ARTISTS

Artists and performance artists shall operate in compliance with this Ordinance and with any rules or regulations adopted by the Municipal Officers.

- A. Display.**
Artists and performance artists shall not create, perform, sell or display art:
- (1) Within any area designated by the Municipal Officers for a sidewalk sale, street festival, farmers' market, or other special event, except as authorized by the Municipal Officers;
 - (2) On any sidewalk or in any other location so as to impede the free passage of vehicles or pedestrians, obstruct the entrance to or exit from private property, jeopardize public safety, or otherwise inconvenience the public;

- (3) On a public street or on public benches, monuments or structures; or
- (4) In a manner that uses private property to display artwork without the permission of the property owner.

Section 2.5 PROHIBITED OPERATIONS

A. Location of operations.

No street vendor shall operate:

- (1) On public property, outside designated vendor locations establish by the Town, except during festivals or other special events approved by the Municipal Officers ~~pursuant to a temporary street vendor's license;~~
- (2) Within fifty feet (50') of any fixed-base retail establishment offering the same or substantially similar goods or services, except during festivals or other special events approved by the Municipal Officers; or
- (3) On any sidewalk or in any other location so as to impede the free passage of vehicles or pedestrians, obstruct the entrance to or exit from private property, jeopardize public safety, or otherwise inconvenience the public.

B. Licensed persons.

No license issued under the provisions of this Ordinance shall be used at any time by any person other than to whom it was issued.

C. Hours of operation.

No street vendor shall operate between the hours of 12:00 a.m. and 8:00 a.m. No artist shall display or sell works of art on public property between the hours of 12:00 a.m. and 8:00 a.m. No performance artist shall perform on public property between the hours of 12:00 a.m. and 8:00 a.m.

D. Generators.

The use of generators by street vendors shall be prohibited.

Section 2.6 APPLICATION

A. Contents of application.

- c. Whether the tables, chairs, benches or other items requiring an occupancy permit for location on public property are providing a public improvement or convenience.

ARTICLE IV
ENFORCEMENT, APPEALS AND PENALTIES

Section 4.1 ENFORCEMENT AND PENALTIES

- A. Authorization of Code Enforcement Officer and Town Manager.**
The Code Enforcement Officer and Town Manager or his or her designee is authorized to enforce this Ordinance.
- B. Violation notification.**
If the Code Enforcement Officer finds that any provision of this Ordinance is being violated, the Code Enforcement Officer shall provide notification in writing to the person responsible for the violation, indicating the nature of the violation and ordering the action necessary to correct it.
- B. Commencement of enforcement action.**
The Code Enforcement Officer may commence an enforcement action requesting, among other things, correction of the violation, civil penalties, attorney's fees and costs; such enforcement action may see injunctive relief.

Section 4.2 PENALTIES

Violation of any provision of this Ordinance or any lawful order relating to this Ordinance by the Code Enforcement Officer shall be subject to a fine of not less than \$100.00 nor more than \$2,500.00 per offense. Each day that the violation continues is a separate violation. In the event that the Town incurs any expense in the enforcement of this Ordinance, including but not limited to court costs and attorney's fees, the Town shall be entitled to collect such costs from the violator. Any penalties or costs assessed shall be payable to the Town of Naples.

Section 4.3 APPEALS

- A. Appeal to Municipal Officers.**
Whenever a person shall deem themselves aggrieved by an order made by the Code Enforcement Officer or Town Manager or designee, the person may file an appeal to the Municipal Officers within ten (10) days of the date of the order, and the person shall be afforded a hearing on the matter before the Municipal Officers. Unless by their authority the order is revoked or amended, such order shall remain in force and be forthwith complied with by the person in its original form or as amended.
- B. Revocation or amendment.**

In cases of applicability or interpretation of the rules or regulations, the Municipal Officers may revoke or amend such order made by the Code Enforcement Officer or Town Manager or designee.

C. Extensions or exceptions.

In cases where compliance with such order made by the Code Enforcement Officer or Town Manager or designee would cause a disproportionate burden on the appellant, the Municipal Officers may extend the time limit or grant exceptions to the order, or waive requirements of this Ordinance or any applicable rules or regulations, provided that the Municipal Officers shall give due consideration to the purposes of the rules or regulations in preserving public safety and convenience, integrity of public infrastructure, and the operational safety and function of the public right-of-way.

**ARTICLE V
SEVERABILITY, INCONSISTENCY AND EFFECTIVE DATE**

Section 5.1 SEVERABILITY

The invalidity of any provision of this Ordinance shall not invalidate any other provision.

Section 5.2 INCONSISTENCY

If provisions of this Ordinance conflict or are inconsistent with other provisions of this Ordinance, with the provisions of other ordinances of Town of Naples, or with laws, ordinances, rules or regulations of the federal government or the State of Maine, the stricter requirements shall apply and control.

Section 5.3 REPEAL OF STREET VENDOR ORDINANCE

As of the effective date below, the Town of Naples Street Vendor Ordinance adopted June 16, 2010 is hereby repealed by the enactment of this Ordinance.

Section 5.3 EFFECTIVE DATE

Attest: A true copy of an ordinance entitled "**AMENDMENT TO THE SHORELAND ZONING ORDINANCE FOR THE TOWN OF NAPLES, REPLACING THE ENTIRE SECTION: SECTION 12: NON-CONFORMANCE**" for the Town of Naples, as certified to me by the municipal officers of Naples on the 20th day of May, 2014.

Signature _____
 Judy Whynot, Town Clerk of Naples

**AMENDMENT TO THE SHORELAND ZONING ORDINANCE FOR THE
TOWN OF NAPLES, REPLACING THE ENTIRE SECTION:
SECTION 12. NONCONFORMANCE**

12. Non-conformance

A. Purpose. It is the intent of this Ordinance to promote land use conformities, except that non-conforming conditions that existed before the effective date of this Ordinance or amendments thereto shall be allowed to continue, subject to the requirements set forth in Section 12. Except as otherwise provided in this Ordinance, a non-conforming condition shall not be permitted to become more non-conforming.

B. General

- (1) **Transfer of Ownership.** Non-conforming structures, lots, and uses may be transferred, and the new owner may continue the non-conforming use or continue to use the non-conforming structure or lot, subject to the provisions of this Ordinance.
- (2) **Repair and Maintenance.** This Ordinance allows, without a permit, the normal upkeep and maintenance of non-conforming uses and structures including repairs or renovations that do not involve expansion of the non-conforming use or structure, and such other changes in a non-conforming use or structure as federal, state, or local building and safety codes may require.

C. Non-conforming Structures

- (1) **Expansions.** All new principal and accessory structures, excluding functionally water-dependent uses, must meet the water body, tributary stream, or wetland setback requirements approved by the board. A non-conforming structure may be added to or expanded after obtaining a permit from the same permitting authority as that for a new structure, if such addition or expansion does not increase the non-conformity of the structure and is in accordance with subparagraphs (a) through (d) below.
 - (a). Expansion of any portion of a structure within 25 feet of the normal high-water line of a water body, tributary stream, or upland edge of a wetland is prohibited, even if the expansion will not increase nonconformity with the water body, tributary stream, or wetland setback requirement. Expansion of an accessory structure that is located closer to the normal high-water line of a water body, tributary stream, or upland edge of a wetland than the principal structure is prohibited, even if the expansion will not increase nonconformity with the water body, tributary stream, or wetland setback requirement.
 - (b) Notwithstanding paragraph (a), above, if a legally existing nonconforming principal structure is entirely located less than 25 feet from the normal high-water line of a water body, tributary stream, or upland edge of a wetland, that structure may be expanded as follows, as long as all other applicable standards of land use adopted by the municipality are met and the expansion is not prohibited by Section 12(C)(1).

- (i) The maximum total footprint for the principal structure may not be expanded to a size greater than 800 square feet or 30% larger than the footprint that existed on January 1, 1989, whichever is greater. The maximum height of the principal structure may not be made greater than 15 feet or the height of the existing structure, whichever is greater.
- (c) All other legally existing nonconforming principal and accessory structures that do not meet the water body, tributary stream, or wetland setback requirements may be expanded or altered as follows, as long as other applicable standards of land use adopted by the municipality are met and the expansion is not prohibited by Section 12(C)(1) or Section 12(C)(1)(a), above.
 - (i) For structures located less than 75 feet from the normal high-water line of a water body, tributary stream, or upland edge of a wetland, the maximum combined total footprint for all structures may not be expanded to a size greater than 1,000 square feet or 30% larger than the footprint that existed on January 1, 1989, whichever is greater. The maximum height of any structure may not be made greater than 20 feet or the height of the existing structure, whichever is greater.
 - (ii) For structures located less than 100 feet from the normal high-water line of a great pond classified as GPA or a river flowing to a great pond classified as GPA, the maximum combined total footprint for all structures may not be expanded to a size greater than 1,500 square feet or 30% larger than the footprint that existed on January 1, 1989, whichever is greater. The maximum height of any structure may not be made greater than 25 feet or the height of the existing structure, whichever is greater. Any portion of those structures located less than 75 feet from the normal high-water line of a water body, tributary stream, or upland edge of a wetland must meet the footprint and height limits in Section 12(C)(1)(b)(i) and Section 12(C)(1)(c)(i), above.
 - (iii) In addition to the limitations in subparagraphs (i) and (ii), for structures that are legally nonconforming due to their location within the Resource Protection District when located at less than 250 feet from the normal high-water line of a water body or the upland edge of a wetland, the maximum combined total footprint for all structures may not be expanded to a size greater than 1,500 square feet or 30% larger than the footprint that existed at the time the Resource Protection District was established on the lot, whichever is greater. The maximum height of any structure may not be made greater than 25 feet or the height of the existing structure, whichever is greater, except that any portion of those structures located less than 75 feet from the normal high-water line of a water body, tributary stream, or upland edge of a wetland must meet the footprint and height limits in Section 12(C)(1)(b)(i) and Section 12(C)(1)(c)(i), above.
- (d) A plan approved by the Code Enforcement Officer for an expansion of a nonconforming structure must be recorded by the applicant with the registry of deeds in the Cumberland County Registry of Deeds, within 90 days of approval. Plans must include, at a minimum:
 - (i) The method of expansion (whether the applicant utilized the thirty (30) percent or the footprint expansion option);

- (ii) The existing and proposed footprint of the structure, in addition to the footprint of other non-conforming structures on the parcel;
 - (iii) The existing and proposed structure height;
 - (iv) A scaled drawing showing the location of the structure and other structures on the lot, in relation to the water body, tributary stream or wetland.
- (2) **Foundations.** Whenever a new, enlarged, or replacement foundation is constructed under a non-conforming structure, the structure and new foundation must be placed such that the setback requirement is met to the greatest practical extent as determined by the Code Enforcement Officer or its designee, basing its decision on the criteria specified in Section 12(C)(3) Relocation, below. If the completed foundation does not extend beyond the exterior dimensions of the structure, except for expansion in conformity with Section 12(C)(1) above, and the foundation does not cause the structure to be elevated by more than three (3) additional feet, as measured from the uphill side of the structure (from original ground level to the bottom of the first floor sill), it shall not be considered to be an expansion of the structure.
- (3) **Relocation.** A non-conforming structure may be relocated within the boundaries of the parcel on which the structure is located provided that the site of relocation conforms to all setback requirements to the greatest practical extent as determined by the Code Enforcement Officer or its designee, and provided that the applicant demonstrates that the present subsurface sewage disposal system meets the requirements of State law and the State of Maine Subsurface Wastewater Disposal Rules (Rules), or that a new system can be installed in compliance with the law and said Rules. In no case shall a structure be relocated in a manner that causes the structure to be more non-conforming.

In determining whether the building relocation meets the setback to the greatest practical extent, the Code Enforcement Officer or its designee shall consider the size of the lot, the slope of the land, the potential for soil erosion, the location of other structures on the property and on adjacent properties, the location of the septic system and other on-site soils suitable for septic systems, and the type and amount of vegetation to be removed to accomplish the relocation. When it is necessary to remove vegetation within the water or wetland setback area in order to relocate a structure, the Code Enforcement Officer shall require replanting of native vegetation to compensate for the destroyed vegetation. In addition, the area from which the relocated structure was removed must be replanted with vegetation. Replanting shall be required as follows:

- (a) Trees removed in order to relocate a structure must be replanted with at least one native tree, three (3) feet in height, for every tree removed. If more than five trees are planted, no one species of tree shall make up more than 50% of the number of trees planted. Replaced trees must be planted no further from the water or wetland than the trees that were removed.

Other woody and herbaceous vegetation, and ground cover, that are removed or destroyed in order to relocate a structure must be re-established. An area at least the same size as the area where vegetation and/or ground cover was disturbed, damaged, or removed must be reestablished within the setback area. The vegetation and/or ground cover must consist of similar native vegetation and/or ground cover that was disturbed, destroyed or removed.

- (b) Where feasible, when a structure is relocated on a parcel the original location of the structure shall be replanted with vegetation which may consist of grasses, shrubs, trees, or a combination thereof.
- (4) **Reconstruction or Replacement.** Any non-conforming structure which is located less than the required setback from a water body, tributary stream, or wetland and which is removed, or damaged or destroyed, regardless of the cause, by more than 50% of the market value of the structure before such damage, destruction or removal, may be reconstructed or replaced provided that a permit is obtained within eighteen (18) months of the date of said damage, destruction, or removal, and provided that such reconstruction or replacement is in compliance with the water body, tributary stream or wetland setback requirement to the greatest practical extent as determined by the Code Enforcement Officer or its designee in accordance with the purposes of this Ordinance. In no case shall a structure be reconstructed or replaced so as to increase its non-conformity. If the reconstructed or replacement structure is less than the required setback it shall not be any larger than the original structure, except as allowed pursuant to Section 12(C)(1) above, as determined by the non-conforming footprint of the reconstructed or replaced structure at its new location. If the total footprint of the original structure can be relocated or reconstructed beyond the required setback area, no portion of the relocated or reconstructed structure shall be replaced or constructed at less than the setback requirement for a new structure. When it is necessary to remove vegetation in order to replace or reconstruct a structure, vegetation shall be replanted in accordance with Section 12(C)(3) above.

Any non-conforming structure which is located less than the required setback from a water body, tributary stream, or wetland and which is removed by 50% or less of the market value, or damaged or destroyed by 50% or less of the market value of the structure, excluding normal maintenance and repair, may be reconstructed in place if a permit is obtained from the Code Enforcement Officer within one year of such damage, destruction, or removal.

In determining whether the building reconstruction or replacement meets the setback to the greatest practical extent the Code Enforcement Officer or its designee shall consider, in addition to the criteria in Section 12(C)(3) above, the physical condition and type of foundation present, if any.

- (5) **Change of Use of a Non-conforming Structure.** The use of a non-conforming structure may not be changed to another use unless the Code Enforcement Officer, after receiving a written application, determines that the new use will have no greater adverse impact on the water body, tributary stream, or wetland, or on the subject or adjacent properties and resources than the existing use.

In determining that no greater adverse impact will occur, the Code Enforcement Officer shall require written documentation from the applicant, regarding the probable effects on public health and safety, erosion and sedimentation, water quality, fish and wildlife habitat, vegetative cover, visual and actual points of public access to waters, natural beauty, floodplain management, archaeological and historic resources, and commercial fishing and maritime activities, and other functionally water-dependent uses.

D. Non-conforming Uses

- (1) **Expansions.** Expansions of non-conforming uses are prohibited, except that non-conforming residential uses may, after obtaining a permit from the Code Enforcement Officer, be

expanded within existing residential structures or within expansions of such structures as allowed in Section 12(C)(1) above.

- (2) **Resumption Prohibited.** A lot, building or structure in or on which a non-conforming use is discontinued for a period exceeding one year, or which is superseded by a conforming use, may not again be devoted to a non-conforming use except that the Code Enforcement Officer may, for good cause shown by the applicant, grant up to a one year extension to that time period. This provision shall not apply to the resumption of a use of a residential structure provided that the structure has been used or maintained for residential purposes during the preceding five (5) year period.
- (3) **Change of Use.** An existing non-conforming use may be changed to another non-conforming use provided that the proposed use has no greater adverse impact on the subject and adjacent properties and resources, including water dependent uses in the CFMA district, than the former use, as determined by the Code Enforcement Officer. The determination of no greater adverse impact shall be made according to criteria listed in Section 12(C)(5) above.

E. Non-conforming Lots

- (1) **Non-conforming Lots:** A non-conforming lot of record as of the effective date of this Ordinance or amendment thereto may be built upon, without the need for a variance, provided that such lot is in separate ownership and not contiguous with any other lot in the same ownership, and that all provisions of this Ordinance except lot area, lot width and shore frontage can be met. Variances relating to setback or other requirements not involving lot area, lot width or shore frontage shall be obtained by action of the Board of Appeals.
- (2) **Contiguous Built Lots:** If two or more contiguous lots or parcels are in a single or joint ownership of record at the time of adoption of this Ordinance, if all or part of the lots do not meet the dimensional requirements of this Ordinance, and if a principal use or structure exists on each lot, the non-conforming lots may be conveyed separately or together, provided that the State Minimum Lot Size Law (12 M.R.S.A. sections 4807-A through 4807-D) and the State of Maine Subsurface Wastewater Disposal Rules are complied with.

If two or more principal uses or structures existed on a single lot of record on the effective date of this ordinance, each may be sold on a separate lot provided that the above referenced law and rules are complied with. When such lots are divided each lot thus created must be as conforming as possible to the dimensional requirements of this Ordinance.

- (3) **Contiguous Lots - Vacant or Partially Built:** If two or more contiguous lots or parcels are in single or joint ownership of record at the time of or since adoption or amendment of this Ordinance, if any of these lots do not individually meet the dimensional requirements of this Ordinance or subsequent amendments, and if one or more of the lots are vacant or contain no principal structure the lots shall be combined to the extent necessary to meet the dimensional requirements.

This provision shall not apply to 2 or more contiguous lots, at least one of which is non-conforming, owned by the same person or persons on the effective date of this Ordinance and recorded in the registry of deeds if the lot is served by a public sewer or can accommodate a subsurface sewage disposal system in conformance with the State of Maine Subsurface Wastewater Disposal Rules; and

- (a) Each lot contains at least 100 feet of shore frontage and at least 20,000 square feet of lot area; or
- (b) Any lots that do not meet the frontage and lot size requirements of Section 12(E)(3)(a) are reconfigured or combined so that each new lot contains at least 100 feet of shore frontage and 20,000 square feet of lot area.

- ARTICLE 56. Voted to authorize the Municipal Officers to enter into and execute contracts not to exceed three years.
- ARTICLE 57. Voted to accept any gifts, unanticipated donations or pass-through funds that may be provided by individual(s), business associations, charitable groups, or other organizations, which have not been listed in one of the previous articles and to appropriate funds for the purpose for which they were given, if the Municipal Officers determine the gifts, donations, or pass through funds and their purposes are in the best interest of the Town.
- ARTICLE 58. Voted to authorize the continued use of the Recreation Department General Ledger account to receive, appropriate and expend recreation fees received (as pass-through expenses) for self-funded recreation activities, which may be authorized in accordance with the Recreation Department policy. Use of this account shall be limited to expenses related to development or expansion of an activity after Town Meeting budget approval

and shall include payment of increased staff wages which may be necessary if program enrollment requires additional staffing and if such additional enrollment completely funds the additional staffing expenses.

ARTICLE 59. Voted to authorize the Municipal Officers to apply for, accept and expend and/or appropriate, on behalf of the Town, money from State, Federal, and other governmental units or private sources or foundations, which may be received from time to time in the form of grants or any other source, during the period from July 1, 2014, to June 30, 2015.

ARTICLE 60. Voted to authorize the Municipal Officers to sell or otherwise dispose of obsolete or surplus town equipment and materials on such terms as they deem proper after the items have been offered to all Town Departments.

ARTICLE 61. Voted to authorize the Municipal Officers to sell or dispose of any real estate acquired by the Town for non-payment of taxes in accordance with the provisions of the Town's Tax Acquired Property Policy on such terms and conditions as the Board deems advisable and in the best interest of the Town, which provisions include sale to the prior owner(s), sale to abutters for no less than fair market value and sale to third parties by advertised public bid; and to authorize the Municipal Officers to place the proceeds from such sales into the Capital Improvements Reserve Fund as they deem advisable.

REVENUE ARTICLES

ARTICLE 62. Voted to appropriate \$189,590 from the Town of Naples Downtown & Waterfront Tax Increment Financing District Development Program Fund account for the Fire Works; for the Causeway Grand Opening Celebration; for the Causeway/Bridge and Fire Suppression Bond Debt Service; for the Historical Society Museum/Info Center Bond Debt Service; and for Causeway Bond II Debt Service, all in Article 43.

**CODE ENFORCEMENT OFFICER'S REPORT
2013**

My name is Renee' Carter and I am the Code Enforcement Officer. I consider myself very lucky to be working for the Town of Naples and all of its residents and taxpayers. My first dealings with the Town of Naples was in August 2012 when I was hit by a drunk driver in Naples on Route 35. Had it not been for the extremely knowledgeable and capable EMT and Fire Department I would not be here. It is because of them that my life was saved and my leg was not amputated. I feel very blessed having the ability to "pay it forward" with the Town. I have met so many wonderful citizens and it is always nice to meet the many people who come through the doors at the Town Office.

There were 125 building permits issued, of which 17 were new single-family residences. And there were 69 plumbing permits issued, of those 30 were new septic systems.

Effective January 1, 2013, all excavation work in excess of one cubic yard done in shoreland areas, must be supervised by an individual certified in erosion control practices by the Department of Environmental Protection. A list of certification courses can be found on DEP's website at maine.gov/dep/blwq/training/schedule.htm or by calling 287-7726. As always, before beginning any activity within the Shoreland Zone, it is always better to ask questions first.

I have enjoyed working with the Selectboard, Planning Board, Appeals Board and Ordinance Review Committee. I think the Town is very fortunate to have such dedicated and caring staff which has made my transition here a joy.

I am here for anyone who has a question, even if I am in the "middle" of something, nothing should stop you from stopping by, poking your head in and asking.

Naples Recreation
Annual Report 2012-2013

It is the mission of the Naples Recreation Department to create recreational opportunities for growth and enhancement by developing diverse services and programs that promote citizen involvement and a strong sense of community while striving to increase the social, cultural, and physical well-being of its residents and visitors of all ages.

With a variety of programs that we offer and how successful that they are, none of them would even be possible without great community and volunteers supporting them. Volunteers are the backbone of any Recreation Department and the Town of Naples is very lucky to have a great core of them that make it possible to offer a variety of youth sports. We currently offer youth football, basketball, and soccer. We also offer aerobics, aquacize and pick-up basketball for adults. We also a few special events that happen though the Recreation Department such as the Family Fun Skate Night, Youth Football Golf Outing and Halloween party.

In the past few years the town has expanded the recreational properties that that we are in charge of. With the expansion of the town beach property we now have almost doubled out beach front and added a boat launch. We also purchased the Plummer field Complex from the American Legion. With these properties we will look at future ways to meet the needs of the Citizens of Naples.

**Marine Safety
2012-2013**

The 2012 boating season was a very busy time for all the members of the Naples Marine Safety Unit. While we got through the season with no major accidents, we did have numerous incidents that easily could have been serious. People were swimming from their boats and jet-skis without life jackets, and the boats blew away in the wind causing victims to be rescued and given medical attention by Naples Fire (2-3 times). Another issue was boaters with no knowledge of boating on our lakes. Every night we had boats with no lights or unsuitable lights on the lakes in the dark. With all this in mind, we applied for two grants, which we were awarded. Both grants had to be used for educational purposes. We did a trial seminar last August for an association on Sebago Cove. Over 30 people attended and we were asked to repeat it again the following season. We also plan to have a seminar or two at the Town Office.

Moorings continue to be an issue. When there are late registrations or not registering at all, it becomes a time consuming process to chase owners down. I plan to address this with the Board of Selectmen during this season.

We would like to thank the Naples Fire and Rescue Department, Wardens Service, Sheriff's Department, Town Hall Employees, all the marinas in the area & rental services, all the volunteers that give their time to work on the Marine Safety Unit, and mostly we want to thank the people of Naples for supporting and funding us.

Respectively,

Bill Callahan
Harbor Master

Planning Board
Year Ended 6/30/13

The year ended June 30, 2013 was a slow period for the Naples Planning Board. There were only eight items that required Board approval. Two of these were requests to vacate previous approved subdivisions where the applicants chose not to proceed. The Board also approved two Outdoor Entertainment Permits – one for the Maine Blues Festival and one for the Umbrella Factory.

We approved one site plan for the storage and processing of wood and wood products and we approved two applications for change of use. One of these was for a change from retail space to auto repair and the other was a change from two apartments to a gift shop for one and a future food takeout in the other subject to all required State and Agency approvals.

The only application that drew much public interest was a minor subdivision which involved the relocation of Wiggin Road. After some changes were made to address the concerns of the neighbors the subdivision was approved by the Board.

Naples Public Library Annual Report 2012 ~ 2013

The Naples Public Library experienced another fantastic year of growth in books and services. Here's what happened for the fiscal year July 1, 2012 through June 30, 2013:

The library circulated over 31,000 items in 2012/2013 from a physical collection of over 42,000 items that include books, books-on-tape and CDs, downloadable audio books and eBooks, eReaders, videos, DVDs, music CDs, puzzles, newspapers and magazines. The monthly digital downloads continue to grow as more and more patrons use the Maine State Library OverDrive System. We continue to access the InterLibrary Loan system through the Maine State Library borrowing van and we are hard at work collaborating with local libraries on many fronts including shared subscription services, hosting programs, and supporting each other in our respective areas of expertise. Our library desktop and laptop computers were "borrowed" by our patrons over 3,400 times!

Community collaboration, support, and outreach continues to grow. We saw the return of Sparky the FireDog and volunteers from the Naples Fire Department to talk about fire safety with our story time children. The Library hosted several community events including two Red Cross Blood Drives and we had another year of service from great volunteers thanks to the Southern Maine Agency on Aging RSVP program. A new Friends' of the Library group was formed and we hope to work toward a stronger partnership with the Naples Historical Society in the coming months. We hosted special annual events at the library for the community and our volunteers including our Christmas Pot Luck and our annual Volunteer Appreciation week in April. The Naples Library sponsored Children's musical performer, Rob Duquette for a performance at the Naples amphitheater on Memorial Day 2013 for the "Thank you Naples Day." We added to our building space by having a shed built by the skilled carpenters at the Lake Region Vocational Center. Completing the shed project was a community effort with Dana Watson & Son moving it to the library grounds, Hawk Electric provided the electrical work, and several members of the Board of Trustees helped out moving the shed and building steps. Library Board members and volunteers were also involved in the painting of the railing on the library porch. Special thanks to Jim Brake for organizing the group and Hancock Lumber for providing us with some paint. Finally, the hanging flowers at the library are provided every year by the Naples Garden Club and two new gardens have been added thanks to the efforts of yet more Library Board members.

The library continues to host a number of programs for patrons of all ages. We offer a weekly PreSchool StoryTime, Musical PlayGroup and Pajama Story Time and are often blessed with guest storytellers. We added a new program, Read to Kendall, a therapy dog and hosted a Mad Science program. Monthly programs for children include a Lego club and we renewed our Movie Licensing pass that has afforded us the opportunity to offer monthly children's movies in the Gathering Room. Special programs included: the 25th annual visit from Santa Claus, an Easter Egg Hunt, a Valentine's and Halloween party & Dr. Seuss program. For teens there was the Art of Mendhi (a henna program), a drawing program, book clubs and more. We hosted a Family Art Night each month. Kids 'N Kamas events have taken on a new look with a special holiday program in December and another in May and June for Mother's and Father's Day respectively. Kids 'n Kamas is a program made possible by the Herb and Lila Bachrach Memorial Fund. Programs for adults include a monthly book discussion group, a bi-weekly Scrabble Club. We had an author visit by Walter Bannon, A Successful Job Search Workshop made possible by the MSL, Lawyers in Libraries (a project organized by the Maine Justice Action Group), a Seed Starter class, a Recycled Book Pumpkin class, a Make a Penny Rug Snowman class, a Make an Accordion Picture Book class, a Cooking with Quinoa Class, a Partners for World Health presentation by Bob & Sue Wielund discussing their trip to Tanzania, a visit from local Animal Control Officer, Bobby Silcott, and a Christmas Floral Arrangement and May Basket class was hosted thanks to Watkins Flowers. We had some interested crafters get together on a weekly basis and they created a beautiful quilt wall hanging for a library benefit raffle. We hosted the Maine Humanities Council summer reading program "Let's Talk About It" series. Several classes were made available on using eReaders and computers. Naples resident, Dave Slagle taught a multi-week class with 4 participants to design and build a radio-controlled model airplane.

The library is a great place for non-profit groups. Groups that used the Gathering Room or other sections of the library include: a local art group, Trickey Pond Environmental Protection Association and the Naples Conservation Commission. A dedicated volunteer comes to NPL each fall to offer Medicare Part -D help. Girl Scout Troops (including the

younger Daisy Girl Scouts) and adult Girl Scout leaders continue to meet at NPL on a monthly basis. One Troop even hosted an overnight party for eleven giggly girls and four brave chaperones.

The library remains quite active in our fundraising efforts. Programs included our popular bi-annual House Tour, the annual yard sale, mini-art sales, a cookie walk, memorabilia sales, and a variety of sales in the Book Barn. A Lemonade Day was hosted by Naples resident Olivia Toole and her efforts helped us to purchase a popcorn maker for our regular movie afternoons. The Black Bear Cafe in Naples hosted the new, annual Pizza Tasting Fundraiser. We held our first annual Duck Drop on Father's Day as part of the Naples Blues Festival Weekend. The Naples Public Library was the fortunate recipient of another Stephen and Tabitha King Foundation Grant. This grant afforded us the opportunity to complete the upgrade of our computer system. Several businesses participated for the first time in helping us to improve our Summer Reading Program by donating goods, services, or dollars. Those business are: Amato's Sandwich Shops, Dr. Stephen and Mrs. Janice Barter, Buck's Naked BBQ & Steak House, Finelines Autobody, Jones & Matthews, Norway Savings Bank, Pit Stop Fuels, Point Sebago Resort, and TD Bank.

We adopted new policies on July 1, 2012 to help us better maintain our collection. We started accepting credit cards because "there's an App for that" and the Volunteer Circulation Desk manual has been updated to help our volunteers better serve your needs.

Our staff participated in educational and training opportunities ranging from Excel Workshops to the Reading Round Up, a conference about children's and young adult literature. We received a grant from the Maine State Library and Web-Junction which gives us a one-year subscription service to Lynda.com. Lynda.com is an online library of courses on software tools and skills.

Technology offerings continue to be a strong point for us here thanks to many Friends and Volunteers. NPL continues to embrace Open Source (free) software to help us serve our patrons more efficiently. To that end, we installed a new Open Source system called Koha in the final days of this fiscal year. Koha is the first free and open source software library automation package and is in use by many area libraries. We will offer many more services thanks to Koha in the coming months including the ability of our patrons to access their Naples Library accounts from anywhere they have internet access. Finally, we installed a new telephone system since our old system had been in use for 15 years and no longer suited our needs.

The library hours are Tuesdays and Thursdays from 10:00 a.m. to 7:00 p.m., Wednesdays from 2:00 to 7:00 p.m., and Saturdays from 9:00 a.m. to 1:00 p.m.. The library is also be open on Fridays beginning the Friday before the 4th of July and running through the Friday before Labor Day each summer. We continue to enjoy the dedication and service of over 80 volunteers to help assist our 3 staff members. Please stop in and say hello!

NAPLES CONSERVATION COMMISSION
ANNUAL REPORT
MAY.2013

As this is being written, we are getting ready to announce the official opening of the Primitive Trail at Edes Falls. Signs and a picnic table are being ordered and a parking area has been cleared. We are considering moving the existing plaque near the bridge to a point several hundred yards up the road to a point near the main entrance. We have done considerable clearing of brush to make the trail. Views of the river, the falls, and the remnants of the dam are exquisite. Parts of the foundations of the mill and out-buildings are visible.

A snow fence has been set up as a temporary measure to discourage the use of off-road vehicles to cut the corner of Jugtown Road. We hope eventually to repair the corner. Crushed stone was added at the curve to curb further erosion.

We have looked into the history of the site and have viewed old photographs of houses in the vicinity. The mills have been torn down and rebuilt at intervals between 1774 and the early 20th century. Originally both saw and grist mills were built.

The river at this site flows too rapidly to be used for launching canoes. Other sites were considered but did not prove feasible.

Other issues considered by the commission included the threat of tar sands oil spillage having a ruinous effect on the Sebago watershed, and a possible proposal by the Loon Echo Land Trust to purchase land in Naples.

Meetings are held on the last Wednesday of the month at 7 PM at the Library. Meetings are open to the public and we welcome your questions and concerns.

Respectfully,
Jim Krainin
Chairman, Naples Conservation Commission

Dear Friend,

I hope this letter finds you and your family well. It continues to be an honor to represent you, and I wanted to take a moment to share with you some of the work I've done in Washington and Maine over the last year and look ahead to the rest of this year.

Given the partisan environment and lack of compromise in Washington, I have been looking for ways to help Maine people and the Maine economy that rise above those partisan differences.

One issue I worked hard on last year was local food and local farming. Farming—particularly smaller, sustainable farms—is a growing part of Maine's economy. For too long national farm policy has primarily benefitted giant agribusinesses in other parts of the country. So I introduced the Local Farms, Food and Jobs Act to bring local farmers the resources they need to keep growing.

Every five years, Congress is supposed to pass a farm bill, which sets the nation's farm policy. As we debated a farm bill last year, we were able to get most of the provisions in the Local Farms, Food and Jobs Act included in the legislation. Congress has yet to pass that farm bill, however, but we are working to make sure those important provisions that will help local farms in Maine remain included when they do.

Sometimes the most practical solutions don't even involve legislation or Washington. For example, as the lobster industry struggled with low prices and an oversupply of lobster last summer, I wrote to the heads of all the cruise ship companies that visit Maine. I was surprised to learn that none of them were buying local, fresh lobster for their passengers and I asked the CEO's of each company to consider doing so. I'm happy to say that a number of them agreed to buy lobster locally when their cruise ships made stops in Portland, and ordered thousands of pounds of Maine lobster for their passengers.

I am beginning this year with a new assignment to the House Appropriations Committee. This is a big responsibility, since it is the committee where virtually all the spending decisions are made. These decisions can have a real impact on Maine, from how much funding is available to shipbuilding to things like funding for first responders and schools.

Everyone agrees we need to reduce the deficit, but how we go about that is a matter of great debate. I believe we need to cut unnecessary spending but at the same time keep investing in the things that will grow our economy and provide a bright future for our children. And I'm sure we will debate those issues on the Appropriations Committee.

I want to also take this opportunity to remind you that I am always ready and willing to help you out if are having an issue with a federal agency. My office can make inquiries to a federal agency on your behalf; connect you with resources and more. No question is too small and we are always happy to hear from you. If there is anything I can do, please don't hesitate to contact me at (888) 862-6500 or www.pingree.house.gov.

Hope to see you in Maine soon,

Chellie Pingree

Annual Report to Naples A Message from Senator James Hamper

December 2012

Dear Friends and Neighbors:

It is an honor to represent you in the Maine Senate, and I am grateful for the trust you have placed in me to work for the betterment of this community and our region. Representing our communities on the Environment and Natural Resources and the Energy and Utilities Committees has been a privilege. I look forward to serving you over the next two years on the Health and Human Services Committee.

Looking back, I am proud of the work accomplished by lawmakers during an extremely difficult fiscal climate. We increased state funding to local schools, brought solvency to the retiree pension system, created more transparency and accountability at state agencies, and paid back our local hospitals millions of dollars. More importantly, we improved Maine's business climate. According to the 2012 CNBC annual ranking of America's top states for business, Maine climbed five spots from the previous year. The improvements made in education funding and test scores, the state's cost of doing business, infrastructure and transportation, and business friendliness all led to this higher ranking. It is imperative that we do not roll back the steps taken during the 125th Legislature that helped set us on the course toward a brighter future.

Lawmakers have a great deal of work on their plates when the session kicks into full swing in January. The most daunting task will be addressing a \$120 million shortfall within the Department of Health and Human Services and its MaineCare program. We must also address a \$35 million revenue shortfall in the budget that ends June 30 and a projected \$880 million gap in the next two-year budget.

Maine continues to be hampered by high energy costs and an aging population. It is a priority of mine to find a way to lower energy costs to help preserve the jobs we have in our state and encourage new job growth. Maine has the oldest state population in the nation. We must work in Augusta to pass legislation that will help grow our economy so that our youth can find opportunities here at home to work and live. Until we address these issues, Maine will continue to lag behind other states.

Again, thank you for entrusting me to represent you in Augusta. I look forward to working with you over the next two years. Please feel free to contact me if you ever need my help in navigating the state bureaucracy. I would be happy to assist in any way that I can. I can be reached in Augusta at 287-1505 or by e-mail at senatorhamp@gmail.com.

Sincerely,

James Hamper
Maine State Senator

ARTICLE 43. To see if the Town will vote to raise and appropriate \$8,000 for 4th of July (Fireworks); and \$88,660 for Causeway/Bridge and Fire Suppression Bond Debt Service; \$38,215 for Historical Society Museum/Info Center Bond Debt Service; and \$45,790 for Causeway Bond II Debt Service, and \$50,000 for additional improvements and events in the Downtown TIF District (Discretionary Funds).

Budget Committee and Selectboard recommend the amount for the Fireworks, and Budget Committee does not review the TIF funded projects. Selectboard recommends passage of these items.

(*Note: The Discretionary Funds are being budgeted for some additional needed items to finish the improvements in the Causeway area such as additional trash cans, two more light fixtures, doggy bag stations, bike racks, and other amenities, and to make repairs or corrections to existing amenities, and for possible grants or donations for events in the Causeway area to promote the Town of Naples.*)

(*Note: A portion of this article is funded under Articles #60 And #61.)

ORDINANCE ARTICLES

ARTICLE 44. Shall the Ordinance entitled ‘Town Property Ordinance for the Town of Naples’ be enacted.

(*Note: A copy of this ordinance is attached to this warrant, and it is hereby incorporated by reference. It is also available from the Town Clerk at the Town Office during regular office hours.*)

ARTICLE 45. Shall the ‘Town of Naples Ordinance Regulating Street Vendors and Occupancy of Streets and Public Lands’ be enacted; and the definition of ‘street vendor’ in the Town of Naples Definitional Ordinance is hereby deleted and replaced with the definition of ‘street vendor’ found in Section 1.4 of this ordinance.

(*Note: A copy of this ordinance is attached to this warrant, and it is hereby incorporated by reference. It is also available from the Town Clerk at the Town Office during regular office hours.*)

ARTICLE 46. Shall the Ordinance Amendments entitled 'Amendments to the Site Plan Review Ordinance, Section 3' be enacted.

(*Note: A copy of this ordinance is attached to this warrant, and it is hereby incorporated by reference. It is also available from the Town Clerk at the Town Office during regular office hours.*)

BUSINESS ARTICLES

ARTICLE 47. To see if the Town will vote to fix the two dates in the recommendation when taxes on real and personal property shall be due and payable and after which interest shall accrue.

Recommended:

First Installment: October 20, 2013

Second Installment: April 20, 2014

ARTICLE 48. To see if the Town will set the rate of interest in the recommendation to be paid after the due dates on delinquent taxes.

Recommend: Interest Rate: 7.00% The maximum allowed as per Neria Douglass, Treasurer of State (36 M.R.S.A § 505(4)).

ARTICLE 49. To see if the Town will vote to establish the interest rate of 3.00% per year on the amount of overpayment to be paid to a taxpayer who is determined to have paid an amount of real or personal property taxes in excess of the amount finally assessed on April 1, 2013 in accordance with 36 M.R.S.A., Section 506-A.

ARTICLE 50. To see if the town will vote to close all Fiscal Year 2012-2013 overdrafts to surplus.

ARTICLE 51. To see if the Town will vote in accordance with 36 M.R.S.A., Section 506, to authorize the Tax Collector and Town Treasurer to accept prepayment of taxes not yet committed and to pay no interest thereon.

ARTICLE 52. To see if the Town will Vote to authorize the Municipal Officers to execute and deliver Quitclaim deeds at its discretion for the purpose of removing from Public record tax liens that have not been discharged through inadvertence.

- ARTICLE 53.** To see if the Town will vote to authorize the Municipal Officers to carry forward account balances at the end of the fiscal year as they deem to be advisable.
- ARTICLE 54.** To see if the Town will vote to authorize the Municipal Officers to enter into and execute contracts not to exceed three years.
- ARTICLE 55.** To see if the Town will vote to accept any gifts, unanticipated donations or pass-through funds that may be provided by individual(s), business associations, charitable groups, or other organizations, which have not been listed in one of the previous articles and to appropriate funds for the purpose for which they were given, if the Municipal Officers determine the gifts, donations, or pass through funds and their purposes are in the best interest of the Town.
- ARTICLE 56.** To see if the Town will vote to authorize the continued use of the Recreation Department General Ledger account to receive, appropriate and expend recreation fees received (as pass-through expenses) for self-funded recreation activities, which may be authorized in accordance with the Recreation Department policy. Use of this account shall be limited to expenses related to development or expansion of an activity after Town Meeting budget approval and shall include payment of increased staff wages which may be necessary if program enrollment requires additional staffing and if such additional enrollment completely funds the additional staffing expenses.
- ARTICLE 57.** To see if the Town will vote to authorize the Municipal Officers to apply for, accept and expend and/or appropriate, on behalf of the Town, money from State, Federal, and other governmental units or private sources or foundations, which may be received from time to time in the form of grants or any other source, during the period from July 1, 2013, to June 30, 2014.
- ARTICLE 58.** To see if the Town will vote to authorize the Municipal Officers to sell or otherwise dispose of obsolete or surplus town equipment and materials on such terms as they deem proper after the items have been offered to all Town Departments.

ARTICLE 59. To see if the Town will vote to authorize the Municipal Officers to sell or dispose of any real estate acquired by the Town for non-payment of taxes in accordance with the provisions of the Town's Tax Acquired Property Policy on such terms and conditions as the Board deems advisable and in the best interest of the Town, which provisions include sale to the prior owner(s), sale to abutters for no less than fair market value and sale to third parties by advertised public bid; and to authorize the Municipal Officers to place the proceeds from such sales into the Capital Improvements Reserve Fund as they deem advisable.

REVENUE ARTICLES

ARTICLE 60. To see what sum the Town will vote to appropriate from the Town of Naples Downtown & Waterfront Tax Increment Financing District Development Program Fund account for the Fire Works; for the Causeway Grand Opening Celebration; for the Causeway/Bridge and Fire Suppression Bond Debt Service; for the Historical Society Museum/Info Center Bond Debt Service; and for Causeway Bond II Debt Service, all in Article 43.

Selectboard Recommends the following amounts:

Fire Works	\$ 5,000
Causeway/Bridge and Fire Suppression Bond:	\$88,660
Historical Society Museum/Info Center Bond	\$38,215
Discretionary Funds	\$50,000
Causeway Bond II Bond	<u>\$45,790</u>
	Total: \$227,665

ARTICLE 61. To see what sum the Town will vote to appropriate from the General Fund Revenue sources in the recommendation towards the 2013-2014 budget appropriations; thereby decreasing the amount required to be raised by property taxes.

RECOMMEND: That \$1,458,670 be appropriated from Non-Property Tax Revenue; and \$290,000 be appropriated from Undesignated Fund Balance (Surplus).

(*Note: As stated in Article #16, the Budget Committee recommends a cut of up to \$100,000 to Paving and Road Reconstruction should the State of Maine cut Revenue Sharing by up to \$100,000. That would mean a cut would be proposed by the Budget Committee by an equal amount to the non-property tax revenue figure above. It is unlikely that the State Budget issues will be resolved by town meeting, and if cuts are made by the State of Maine, then this issue will need to be resolved at a special town meeting held at a later date once the State Budget is approved by the Legislature.

TOWN PROPERTY ORDINANCE

I. PURPOSE

To govern the use of Town owned properties to assure reasonable use and access by all citizens and to provide for the enforcement of said rules and regulations.

II. APPLICABLE LOCATIONS:

Unless otherwise excluded, these rules and regulations shall apply to all Town owned properties.

III. RULES AND REGULATIONS:

All Town of Naples residents, landowners, and other guests shall obey and follow all posted rules and regulations as well as the provisions of this ordinance.

1. Only a resident or taxpaying landowner in the town, their immediate family and guests, will be allowed to use any of the "Naples Town Beach", picnicking, beach or other facilities, including access to and from Long Lake from ice out to ice in. All persons, including non-residents, shall be allowed access to Long Lake at a designated point from ice in to ice out.
2. All Town properties and all associated parking areas will be closed from sunset until sunrise except designated access routes to Long Lake and Trickey Pond from ice in to ice out and for Town approved meetings or events. The use of Town property for sleeping or camping is prohibited unless approved by the Town.
3. Pets, except for service dogs, are not allowed on the Town beach, Town playgrounds or Town owned buildings. Pets shall be allowed on other Town property only if secured in a vehicle or by leash no longer than eight feet so long as they are under the control of the owner as defined in the current Naples Dog Ordinance. All dog owners shall be responsible for the immediate removal of excrement on all Town properties, including the Naples Bay Bridge Project also known as the "Causeway".
4. Any children under the age of 12 must be supervised.
5. No person shall have in his or her possession any open container of alcoholic beverage on Town property, unless approved by the Town.
6. The use of tobacco products and illegal drugs on Town property is prohibited.

7. No person shall engage in any disorderly conduct or behavior on Town property.
8. There shall be no open fires on Town property unless on Town approved grills and any events as approved by the Town.
9. There shall be no glass containers allowed on the Town beach and boat landing. The disposal of diapers, bottles, cans, garbage of any kind is prohibited on all Town property except in containers specifically designated by the Town for such purposes.
10. No body or hair washing, including the use of soap, shampoo or other cleaning agent shall be permitted on the Town Beach or any Town Boat landing.
11. Watercraft and/or trailers shall be stored in designated areas only.
12. Water skiing, water tubing, or wakeboarding are prohibited from the Town beach or landings.
13. On all rights-of-ways leading to the Town beach and Boat Landings, the maximum speed limit shall be 10 miles per hour.

IV. ENFORCEMENT AND PENALTIES:

This Ordinance shall be enforced by the Town Manager, the Recreation Director or any other designated person authorized by the Selectboard.

Any person violating any provision of this Ordinance and any person who aids, abets, or assists therein shall be punished by a civil fine of not less than \$100.00 (one hundred dollars) nor more than \$500.00 (five hundred dollars), in addition to actual attorney's fees incurred by the Town and costs. Each individual occurrence or infraction shall be considered a separate violation of this Ordinance.

V. EFFECTIVE DATE:

This Ordinance shall take effect upon adoption by the Town and shall amend and supercede any conflicting Town Ordinances.

A. Location.

- (1) The Town may establish designated street vendor locations on public property for assignment to qualifying applicants through the issuance of annual licenses.
- (2) There may be a limited number of street vendor locations established by the Town.
- (3) In the event that the Town receives more qualified applicants than available street vendor locations, the Town shall create a waiting list for said qualified applicants and administer the waiting list in a manner that is in the best interest of the Town.

B. Operation.

- (1) Street vendors shall operate in compliance with this Ordinance, with any rules or regulations adopted by the Municipal Officers, and with any license conditions.
- (2) Street vendors shall operate only from a designated vendor location established by the Town, pursuant to an annual license approved by the Municipal Officers.
- (3) Street vendors shall operate only from a kiosk that is approved by the Town and shall display at all times a numbered license issued by the Clerk's office.
- (4) No license issued under the provisions of this Ordinance shall be used at any time by any person other than to whom it was issued.
- (5) Unless otherwise authorized by the Town, the kiosk shall be removed at the end of each day and the space shall be cleaned of all debris.
- (6) The kiosk shall be removed when necessary for Town maintenance of public property, including but not limited to mowing, watering and maintaining grass and vegetation. Kiosks may be temporarily relocated to alternate open space during such maintenance periods.

C. Sale of goods.

Street vendors who sell or offer to sell goods or services are prohibited from using any equipment or selling or offering to sell any goods or services not specifically authorized by the license and shall not operate in any manner that would constitute an unfair or deceptive trade practice under state law.

D. Sale of food or beverages.

- (1) The sale of food or beverages by street vendors shall only be permitted from a fully licensed mobile food service establishment.
- (2) Street vendors shall provide approved waste paper receptacles for use by customers, shall maintain the immediate area free of litter generated by customers, and shall arrange for proper disposal of waste.
- (3) The sale of food or beverages from food trucks is prohibited.

- (3) Temporary street vendor's licenses for participation in sidewalk sales, street festivals or other special events may be issued for a period of no less than one (1) day and no more than five (5) days.
- (4) No temporary street vendor's licenses shall be issued for vendors on private property.

B. License not required for certain activities.

No street vendor's license shall be required for:

- (1) Conducting business on Town-owned property pursuant to a lease, contract, or other agreement with the Town;
- (2) Operating a licensed farmer's market stall;
- (3) Activities conducted by Municipal departments.

C. Compliance with regulations.

Street vendors exempted from the license requirement must still comply with all federal, state and local laws and ordinances and with any time, place and manner restrictions applicable to licensed street vendors such as, for example, hours of operation. Any license issued under this Ordinance shall contain such terms, conditions and restrictions as the Municipal Officers shall require. Said licenses may be subject to such terms and conditions as the Municipal Officers or their designee deem advisable, including restrictions on the time, place and manner of operation.

D. Revocation.

Licenses authorized under this Ordinance may be revoked at any time for cause by the Municipal Officers or their designee upon actual notice to the holder and an opportunity to be heard.

E. Abandoned License.

Street vendors operating on public or private property pursuant to an annual license shall be deemed to have abandoned the license upon an absence from the designated location for a period of two consecutive weeks. Upon such abandonment, the Town may revoke the license and, if on public property, may assign the designated vendor location to another qualified applicant.

Section 2.2 STREET VENDORS ON PUBLIC PROPERTY

The following provisions shall apply to street vendors operating on property owned or controlled by the Town.

(4) The owner of the property shall provide toilet facilities to the vendor.

D. Sale of goods.

Street vendors who sell or offer to sell goods or services are prohibited from using any equipment or selling or offering to sell any goods or services not specifically authorized by the license and shall not operate in any manner that would constitute an unfair or deceptive trade practice under state law.

E. Sale of food or beverages.

- (1) The sale of food or beverages by street vendors shall only be permitted from a fully licensed mobile food service establishment.
- (2) Street vendors shall provide waste paper receptacles for use by customers, shall maintain the immediate area free of litter generated by customers, and shall arrange for proper disposal of waste.
- (3) The sale of food or beverages from food trucks is prohibited.

Section 2.4 ARTISTS

Artists and performance artists shall operate in compliance with this Ordinance and with any rules or regulations adopted by the Municipal Officers.

A. Display.

Artists and performance artists shall not create, perform, sell or display art:

- (1) Within any area designated by the Municipal Officers for a sidewalk sale, street festival, farmers' market, or other special event, except as authorized by the Municipal Officers;
- (2) On any sidewalk or in any other location so as to impede the free passage of vehicles or pedestrians, obstruct the entrance to or exit from private property, jeopardize public safety, or otherwise inconvenience the public;
- (3) On a public street or on public benches, monuments or structures; or
- (4) In a manner that uses private property to display artwork without the permission of the property owner.

Section 2.5 PROHIBITED OPERATIONS

A. Location of operations.

No street vendor shall operate:

- (1) On public property, outside designated vendor locations establish by the Town, except during festivals or other special events approved by the Municipal Officers pursuant to a temporary street vendor's license;

E. Street festivals, sidewalk sales and special events.

- (1) Street vendors licensed for operation on public property may operate in their designated vendor locations within and during street festivals, sidewalk sales or other special events.
- (2) The Town may issue temporary street vendor licenses for operation within street festivals, sidewalk sales or other special events, provided that the applicant meets all of the requirements set forth in this Ordinance and that the organizer of the street festival, sidewalk sale or other special event has approved the street vendor's participation in the event.

F. Ice Cream Trucks.

- (1) No ice cream truck shall stop at any time for the purpose of making sales on or along that portion of Route 302 between Goodridge Drive and Lake House Road, commonly known as the Causeway.
- (2) No ice cream truck shall stop at any time for the purpose of making sales if such stop is located within five hundred (500) feet of a licensed fixed or mobile food service establishment.
- (3) No ice cream truck shall stop for the purpose of making sales if such stop prevents the safe passage of other motor vehicles on the public street.

Section 2.3 STREET VENDORS ON PRIVATE PROPERTY

The following provisions shall apply to street vendors operating on private property.

A. Location.

Street vendors shall only operate in the Commercial and Village Districts.

B. Operation.

- (1) Street vendors shall operate in compliance with this Ordinance, with any rules or regulations adopted by the Municipal Officers, and with any license conditions.
- (2) Street vendors shall only operate pursuant to an annual license approved by the Municipal Officers.
- (3) Street vendors shall display at all times a numbered license issued by the Clerk's office.
- (4) No license issued under the provisions of this Ordinance shall be used at any time by any person other than to whom it was issued.

C. Sales and display area.

- (1) Street vendors shall operate in an area located entirely on private property and no more than one hundred (100) square feet, with a display area not exceeding fourteen feet (14') in height.
- (2) Individual street vendors shall be separated by no less than twenty-five feet (25').
- (3) Unless otherwise authorized by the Town, merchandise shall be removed at the end of each day and the sales area cleaned on a daily basis.

B. When filed.

The application shall be filed with the Municipal Officers not less than 60 days nor more than 120 days before the date on which it is proposed to commence street vending operations.

C. Application fee.

(1) At the time of filing the application the following fees shall be paid to the Town Clerk:

- a. \$2,000 per year, or any portion thereof, for use of designated vendor locations on public property.
- b. \$500 per year, or any portion thereof, for street vendors on private property.
- c. \$500 per day, or any portion thereof, for a temporary license for participation in sidewalk sales, street festivals or other special events.

(2) Non-profit organizations are exempt from the application fee.

(3) The Municipal Officers may waive, in their sole discretion, application fees for temporary licenses.

D. One license per applicant.

Street vendor's licenses shall be limited to one per applicant.

Section 2.7 LICENSE AND APPEAL PROCEDURES

A. Public hearing.

The Municipal Officers shall, prior to granting a license and after reasonable notice to the municipality and the applicant, hold a public hearing at which the testimony of the applicant and that of any interested members of the public shall be taken.

B. Notification of denial or approval.

Any applicant requesting a street vendor's license from the Municipal Officers shall be notified in writing of the Municipal Officers' decision no later than fifteen (15) days after the decision. In the event a license is denied or approved with conditions, the applicant shall be provided with the reasons for denial or conditions in writing. The applicant may not reapply for a license within thirty (30) days after an application for a license that has been denied.

ARTICLE III
OCCUPANCY OF PUBLICLY OWNED OR CONTROLLED LANDS

Section 3.1 PUBLIC PROPERTY OCCUPANCY LICENSE.

A. Authorization required for occupancy of streets.

(1) No person shall place or cause to be placed in or on, or shall suspend over, any street in the Town any article or thing whatsoever, including but not

- (2) Within fifty feet (50') of any fixed-base retail establishment offering the same or substantially similar goods or services, except during festivals or other special events approved by the Municipal Officers; or
- (3) On any sidewalk or in any other location so as to impede the free passage of vehicles or pedestrians, obstruct the entrance to or exit from private property, jeopardize public safety, or otherwise inconvenience the public.

B. Licensed persons.

No license issued under the provisions of this Ordinance shall be used at any time by any person other than to whom it was issued.

C. Hours of operation.

No street vendor shall operate between the hours of 12:00 a.m. and 8:00 a.m. No artist shall display or sell works of art on public property between the hours of 12:00 a.m. and 8:00 a.m. No performance artist shall perform on public property between the hours of 12:00 a.m. and 8:00 a.m.

D. Generators.

The use of generators by street vendors shall be prohibited.

Section 2.6 APPLICATION

A. Contents of application.

Applicants for a street vendor's license under this Ordinance must file with the Municipal Officers a sworn application in writing on a form to be furnished by the Town Clerk, which shall supply, at a minimum, the following information:

- (1) Name and business description of the applicant.
- (2) Address (legal and local).
- (3) A brief description of the nature of goods, services, food or beverages to be sold.
- (4) The length of time for which the license is desired.
- (5) If a vehicle is to be used, a description of the same, with proof of current registration and insurance.
- (6) A current photo ID.
- (7) Proof of current Maine resale certificate, where applicable.
- (8) If on private property, the name of the property owner, location, and written permission from the property owner.
- (9) If on private property, a description of the sales area location and dimensions.
- (10) A description and design of any kiosk and its dimensions.
- (11) Proof of required state and local licenses and approvals for mobile food service establishments.

B. When filed.

The application shall be filed with the Municipal Officers not less than 60 days nor more than 120 days before the date on which it is proposed to commence street vending operations.

C. Application fee.

- (1) At the time of filing the application the following fees shall be paid to the Town Clerk:
 - a. \$2,000 per year, or any portion thereof, for use of designated vendor locations on public property.
 - b. \$500 per year, or any portion thereof, for street vendors on private property.
 - c. \$500 per day, or any portion thereof, for a temporary license for participation in sidewalk sales, street festivals or other special events.
- (2) Non-profit organizations are exempt from the application fee.
- (3) The Municipal Officers may waive, in their sole discretion, application fees for temporary licenses.

D. One license per applicant.

Street vendor's licenses shall be limited to one per applicant.

Section 2.7 LICENSE AND APPEAL PROCEDURES

A. Public hearing.

The Municipal Officers shall, prior to granting a license and after reasonable notice to the municipality and the applicant, hold a public hearing at which the testimony of the applicant and that of any interested members of the public shall be taken.

B. Notification of denial or approval.

Any applicant requesting a street vendor's license from the Municipal Officers shall be notified in writing of the Municipal Officers' decision no later than fifteen (15) days after the decision. In the event a license is denied or approved with conditions, the applicant shall be provided with the reasons for denial or conditions in writing. The applicant may not reapply for a license within thirty (30) days after an application for a license that has been denied.

ARTICLE III
OCCUPANCY OF PUBLICLY OWNED OR CONTROLLED LANDS

Section 3.1 PUBLIC PROPERTY OCCUPANCY LICENSE.

A. Authorization required for occupancy of streets.

- (1) No person shall place or cause to be placed in or on, or shall suspend over, any street in the Town any article or thing whatsoever, including but not

limited to buildings, structures, tables or merchandise except as duly authorized by the Municipal Officers. The Town is in no way required or obligated to grant such authorization, and any authorization will take into consideration its effects on public health, safety, welfare and aesthetics of the Town. Authorizations are nontransferable and not assignable. All Federal, State or local permits or licenses must be in place and in good standing at all times of operations.

- (2) The Municipal Officers or their designee is hereby authorized to issue revocable licenses for the location, protection, maintenance and use of articles, structures, trees, and other installations placed in, on, above, or beneath streets or other public property, upon receipt of proof of insurance in a form and in an amount satisfactory to the town.
- (3) Except during declared festivals or other approved events that require a street vendor's or occupancy license under this Ordinance, this section shall not apply to a table or other structures used by:
 - Artists to create or sell works of art;
 - Persons engaged in an activity protected by the First Amendment to the United States and Maine Constitutions, including but not limited to the distribution of political or religious literature or the gathering of signatures on petitions.
- (4) Business owners may not place benches or flower pots on Town sidewalks or in public spaces without obtaining authorization from the Municipal Officers.

B. Outdoor dining license required.

- (1) No person shall expand a food service establishment to the outside on any street, way or public place in the Town except under a duly authorized outdoor dining license issued by the Municipal Officers.
- (2) The Municipal Officers or their designee is hereby authorized to issue revocable licenses for outdoor dining in Town parks or other Town owned or controlled spaces.
- (3) The Municipal Officers are further authorized to promulgate such other regulations as may be required for outdoor dining on streets, ways or other public places.

Section 3.2 FESTIVALS AND SPECIAL EVENTS

A. Nonprofit and for profit sponsors of special events.

Organizations (private, nonprofit, or for profit) wishing to use public property for festivals or other special events shall apply to the Town for a permit pursuant to the Town of Naples Outdoor Entertainment Ordinance. As part of

the application process, the applicant shall describe the intended properties that will be used as part of the event as well as any vendors that may participate during the event.

B. Festival area designated; permission from festival organizer required.

The Municipal Officers may designate an area for a street festival or other special event. In the event of such festival designation, street vendors shall be required to obtain necessary licenses. Street vendors, other than those operating pursuant to an annual license for a designated vendor location, must obtain the permission of the festival organizer to conduct business within the festival area.

Section 3.3 FARMERS' MARKET

A. Farmers' Market Stalls.

Persons wishing to operate a stall during a Town Farmers' Market shall apply to the Town for authorization.

B. Farmers' Market Rules.

The Municipal Officers are hereby authorized to promulgate from time to time such reasonable rules and regulations governing the Town Farmers' Markets.

Section 3.4 PROHIBITIONS

A. Vehicle restrictions.

No vehicle engaged in the conveyance of passengers over regular routes shall be operated on any roadways within public parks except those that may be designated for such purposes by the parks authority.

B. Vandalism prohibited.

No person shall in any manner cut, mar, deface, injure or destroy any growth, buildings, fences or other structures in or upon streets or public property.

C. Littering prohibited.

No person shall deposit or leave refuse of any kind in or upon any of the parks or public grounds except in containers specifically provided for such refuse.

D. Skating, skateboarding or bicycling.

Skating, skateboarding or bicycling shall not be allowed on any portion of the areas known as the Boardwalk or sidewalks in areas designated as the Causeway.

Section 3.5 FEES FOR STREET OCCUPANCY

A. Fees for licenses issued under this Article.

- (1) Objects including but not limited to tables, chairs, barricades, bollards, planters and benches:
 - eighty-five dollars (\$85.00) per item, per year or any portion thereof
- (2) Use of Town owned or controlled property (including but not limited to festivals, events, promotions, demonstrations, parades, marches, road races, walkathons, fundraisers, press, conferences, rallies, protests, sampling, poll taking, banners and public displays):
 - fee as provided by annual order of the Town Municipal Officers
- (3) Fees for the issuance of a revocable outdoor dining license and for the use of public property to sell merchandise or display merchandise for sale.
 - Two thousand dollars (\$2,000.00) plus four dollars (\$4.00) per square foot of dining area per year or any portion thereof.

B. Waiver.

The Municipal Officers may waive, in their sole discretion, license fees for nonprofit entities and participants in farmers' market, festivals and other special events.

**ARTICLE IV
ENFORCEMENT, APPEALS AND PENALTIES**

Section 4.1 ENFORCEMENT AND PENALTIES

A. Authorization of Code Enforcement Officer and Town Manager.

The Code Enforcement Officer and Town Manager or his or her designee is authorized to enforce this Ordinance.

B. Violation notification.

If the Code Enforcement Officer finds that any provision of this Ordinance is being violated, the Code Enforcement Officer shall provide notification in writing to the person responsible for the violation, indicating the nature of the violation and ordering the action necessary to correct it.

B. Commencement of enforcement action.

The Code Enforcement Officer may commence an enforcement action requesting, among other things, correction of the violation, civil penalties, attorney's fees and costs; such enforcement action may see injunctive relief.

Section 4.2 PENALTIES

Violation of any provision of this Ordinance or any lawful order relating to this Ordinance by the Code Enforcement Officer shall be subject to a fine of not less than \$100.00 nor more than \$2,500.00 per offense. Each day that the violation continues is a separate violation. In the event that the Town incurs any expense in the enforcement of this Ordinance, including but not limited to court costs and attorney's fees, the Town shall be entitled to collect such costs from the violator. Any penalties or costs assessed shall be payable to the Town of Naples.

Section 4.3 APPEALS

A. Appeal to Municipal Officers.

Whenever a person shall deem themselves aggrieved by an order made by the Code Enforcement Officer or Town Manager or designee, the person may file an appeal to the Municipal Officers within ten (10) days of the date of the order, and the person shall be afforded a hearing on the matter before the Municipal Officers. Unless by their authority the order is revoked or amended, such order shall remain in force and be forthwith complied with by the person in its original form or as amended.

B. Revocation or amendment.

In cases of applicability or interpretation of the rules or regulations, the Municipal Officers may revoke or amend such order made by the Code Enforcement Officer or Town Manager or designee.

C. Extensions or exceptions.

In cases where compliance with such order made by the Code Enforcement Officer or Town Manager or designee would cause a disproportionate burden on the appellant, the Municipal Officers may extend the time limit or grant exceptions to the order, or waive requirements of this Ordinance or any applicable rules or regulations, provided that the Municipal Officers shall give due consideration to the purposes of the rules or regulations in preserving public safety and convenience, integrity of public infrastructure, and the operational safety and function of the public right-of-way.

ARTICLE V

SEVERABILITY, INCONSISTENCY AND EFFECTIVE DATE

Section 5.1 SEVERABILITY

The invalidity of any provision of this Ordinance shall not invalidate any other provision.

Section 5.2 INCONSISTENCY

If provisions of this Ordinance conflict or are inconsistent with other provisions of this Ordinance, with the provisions of other ordinances of Town of Naples, or

with laws, ordinances, rules or regulations of the federal government or the State of Maine, the stricter requirements shall apply and control.

Section 5.3 REPEAL OF STREET VENDOR ORDINANCE

As of the effective date below, the Town of Naples Street Vendor Ordinance adopted June 16, 2010 is hereby repealed by the enactment of this Ordinance.

Section 5.4 EFFECTIVE DATE

The effective date of this Ordinance shall be when enacted by the Town of Naples.

Enacted on _____.

AMENDMENTS TO THE SITE PLAN REVIEW ORDINANCE FOR THE TOWN OF NAPLES SECTION 3

2. Proposals to convert residential houses uses to nonresidential uses other than those defined as home occupations, or to convert single family dwelling to multi-family dwellings.
3. Proposals to pave, remove earth materials or grade areas of more than 15,000 square feet of nonvegetated area within a five year period.

B. **Change of use.** A change in the use of land or structures that meets either of the following criteria shall require at least limited site plan review:

1. A proposed change in use that is located on a site or in a building that originally received site plan review; or
2. A proposed change in use that is located on a site or in a building that meets the review thresholds in section 3.A.1 to 3.A.3, inclusive and is a use that would require site plan review if it were proposed as a new development.

~~Upon the request of the applicant, and after consideration of the effects of the proposed use on the neighborhood and on the site itself, the Planning Board may waive any of the site plan review administration or submission requirements if the Planning Board determines that the requirements will not further the review process.~~

~~A change in use shall mean a change from one type of use requiring site plan review to another use requiring site plan review, such as a change from an office to a retail store or from a retail store to an industrial use or from a retail store to a restaurant. A proposal to change one retail to a different kind of store, such as a change from a drug store to a candy store or a convenience store would not be considered a change in use. A proposal to increase the number of residential units in a structure would be considered a change in use.~~

Upon the request of the applicant, the Planning Board may waive any of the site plan review administration or submission requirements if the Planning Board determines that there will be no adverse effects on the neighborhood or the site and that the purposes of site plan review continue to be met. Any waiver shall be in writing and shall state the basis and reasons for granting the waiver.

A change in use requiring site plan review occurs when a project that is covered under Section 3.B.1, 3.B.2 or 3.B.3 above changes to a use that was not considered in the original site plan approval or, if there was no prior approval, changes to a use different from what was originally constructed or has historically been implemented. Examples include a change from an office to a retail store or from a retail store to an industrial use or from a retail store to a restaurant. A proposal to change one retail use to a different kind of retail use, such as a change from a drug store to a candy store or a convenience store would not be considered a change in use. A proposal to increase the number of residential units in a structure would be considered a change in use.

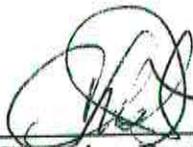

Municipal Officers' Certification of Official Text of a Proposed Ordinance Amendments

To the Town Clerk of the Town of Naples:

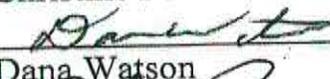

We hereby certify to you that the document to which we have affixed this certificate is a true copy of the official amendments to the text of an ordinance entitled "AMENDMENTS TO THE SITE PLAN REVIEW ORDINANCE, SECTION 3" for which a public hearing was held on April 23, 2013, and is to be presented to the voters for their consideration on June 5, 2013.

ARTICLE 48. Voted to set the rate of interest in the recommendation to be paid after the due dates on delinquent taxes.

Recommend: Interest Rate: 7.00% The maximum allowed as per Neria Douglass, Treasurer of State (36 M.R.S.A § 505(4)).

ARTICLE 49. Voted to establish the interest rate of 3.00% per year on the amount of overpayment to be paid to a taxpayer who is determined to have paid an amount of real or personal property taxes in excess of the amount finally assessed on April 1, 2013 in accordance with 36 M.R.S.A.,

Section 506-A.

- ARTICLE 50.** Voted to close all Fiscal Year 2012-2013 overdrafts to surplus.
- ARTICLE 51.** Voted in accordance with 36 M.R.S.A., Section 506, to authorize the Tax Collector and Town Treasurer to accept prepayment of taxes not yet committed and to pay no interest thereon.
- ARTICLE 52.** Voted to authorize the Municipal Officers to execute and deliver Quitclaim deeds at its discretion for the purpose of removing from Public record tax liens that have not been discharged through inadvertence.
- ARTICLE 53.** Voted to authorize the Municipal Officers to carry forward account balances at the end of the fiscal year as they deem to be advisable.
- ARTICLE 54.** Voted to authorize the Municipal Officers to enter into and execute contracts not to exceed three years.
- ARTICLE 55.** Voted to accept any gifts, unanticipated donations or pass-through funds that may be provided by individual(s), business associations, charitable groups, or other organizations, which have not been listed in one of the previous articles and to appropriate funds for the purpose for which they were given, if the Municipal Officers determine the gifts, donations, or pass through funds and their purposes are in the best interest of the Town.
- ARTICLE 56.** Voted to authorize the continued use of the Recreation Department General Ledger account to receive, appropriate and expend recreation fees received (as pass-through expenses) for self-funded recreation activities, which may be authorized in accordance with the Recreation Department policy. Use of this account shall be limited to expenses related to development or expansion of an activity after Town Meeting budget approval and shall include payment of increased staff wages which may be necessary if program enrollment requires additional staffing and if such additional enrollment completely funds the additional staffing expenses.
- ARTICLE 57.** Voted to authorize the Municipal Officers to apply for, accept and expend and/or appropriate, on behalf of the Town, money from State, Federal, and other governmental units or private sources or foundations, which may be received from time to time in the form of grants or any other source, during the period from July 1, 2013, to June 30, 2014.

ARTICLE 58. Voted to authorize the Municipal Officers to sell or otherwise dispose of obsolete or surplus town equipment and materials on such terms as they deem proper after the items have been offered to all Town Departments.

ARTICLE 59. Voted to authorize the Municipal Officers to sell or dispose of any real estate acquired by the Town for non-payment of taxes in accordance with the provisions of the Town's Tax Acquired Property Policy on such terms and conditions as the Board deems advisable and in the best interest of the Town, which provisions include sale to the prior owner(s), sale to abutters for no less than fair market value and sale to third parties by advertised public bid; and to authorize the Municipal Officers to place the proceeds from such sales into the Capital Improvements Reserve Fund as they deem advisable.

REVENUE ARTICLES

ARTICLE 60. Voted to appropriate from the Town of Naples Downtown & Waterfront Tax Increment Financing District Development Program Fund account for the Fire Works; for the Causeway Grand Opening Celebration; for the Causeway/Bridge and Fire Suppression Bond Debt Service; for the Historical Society Museum/Info Center Bond Debt Service; and for Causeway Bond II Debt Service, all in Article 43.

Selectboard Recommends the following amounts:

Fire Works	\$ 5,000
Causeway/Bridge and Fire Suppression Bond:	\$88,660
Historical Society Museum/Info Center Bond	\$38,215
Discretionary Funds	\$50,000
Causeway Bond II Bond	<u>\$45,790</u>
	Total: \$227,665

ARTICLE 61. Voted to appropriate from the General Fund Revenue sources in the recommendation towards the 2013-2014 budget

appropriations; thereby decreasing the amount required to be raised by property taxes.

RECOMMEND: That \$1,458,670 be appropriated from Non-Property Tax Revenue; and \$290,000 be appropriated from Undesignated Fund Balance (Surplus).

(*Note: As stated in Article #16, the Budget Committee recommends a cut of up to \$100,000 to Paving and Road Reconstruction should the State of Maine cut Revenue Sharing by up to \$100,000. That would mean a cut would be proposed by the Budget Committee by an equal amount to the non-property tax revenue figure above. It is unlikely that the State Budget issues will be resolved by town meeting, and if cuts are made by the State of Maine, then this issue will need to be resolved at a special town meeting held at a later date once the State Budget is approved by the Legislature.

INDEPENDENT AUDITORS' REPORT

November 2, 2012

Board of Selectmen
Town of Naples
Naples, Maine

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Naples, Maine, as of and for the year ended June 30, 2012, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town of Naples's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Naples, Maine as of June 30, 2012, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 3 through 10 and 40 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with

auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Naples, Maine's financial statements as a whole. The combining and individual nonmajor fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

**REQUIRED SUPPLEMENTARY INFORMATION
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2012**

(UNAUDITED)

The following management's discussion and analysis of the Town of Naples financial performance provides an overview of the Town's financial activities for the fiscal year ended June 30, 2012. Please read it in conjunction with the Town's financial statements.

Financial Statement Overview

The Town of Naples basic financial statements include the following components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also includes required supplementary information which consists of the general fund budgetary comparison schedule, and other supplementary information which includes combining and other schedules.

Basic Financial Statements

The basic financial statements include financial information in two differing views: the government-wide financial statements and the fund financial statements. These basic financial statements also include the notes to financial statements that explain in more detail certain information in the financial statements and also provide the user with the accounting policies used in the preparation of the financial statements.

Government - Wide Financial Statements

The government-wide financial statements provide a broad view of the Town's operations in a manner that is similar to private businesses. These statements provide both short-term as well as long-term information in regards to the Town's financial position. These financial statements are prepared using the accrual basis of accounting. This measurement focus takes into account all revenues and expenses associated with the fiscal year regardless of when cash is received or paid. The government-wide financial statements include the following two statements:

The Statement of Net Assets – this statement presents *all* of the government's assets and liabilities with the difference being reported as net assets.

The Statement of Activities – this statement presents information that shows how the government's net assets changed during the period. All changes in net assets are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of the related cash flows.

Both of the above mentioned financial statements have one column for the one type of town activity. The type of activity presented for the Town of Naples is:

- *Governmental activities* – The activities in this section are mostly supported by taxes and intergovernmental revenues (federal and state grants). Most of the Town's basic services are reported in governmental activities, which include general government, public safety, public works, education, health and sanitation, recreation and culture and other unclassified.

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Town of Naples, like other local governments uses fund accounting to ensure and demonstrate compliance with financial related legal requirements. All of the funds of the Town of Naples can be divided into two categories: governmental funds and fiduciary funds.

Governmental funds: Most of the basic services provided by the Town are financed through governmental funds. Governmental funds are used to account for essentially the same functions reported in governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, the governmental fund financial statements focus on near-term inflows and outflows of spendable resources. They also focus on the balance of spendable resources available at the end of the fiscal year. Such information will be useful in evaluating the government's near-term financing requirements. This approach is known as the current financial resources measurement focus and the modified accrual basis of accounting. Under this approach revenues are recorded when cash is received or when susceptible to accrual. Expenditures are recorded when liabilities are incurred and due. These statements provide a detailed short-term view of the Town's finances to assist in determining whether there will be adequate financial resources available to meet the current needs of the Town.

Because the focus of governmental funds is narrower than that of government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities. These reconciliations are presented on the page immediately following each governmental fund financial statement.

The Town of Naples presents four columns in the governmental funds balance sheet and the governmental fund statement of revenues, expenditures and changes in fund balances. The Town's major governmental funds are the General Fund, Highways and Bridges, and Chaplin Trust. All other funds are shown as nonmajor and are combined in the "Other Governmental Funds" column on these statements.

The general fund is the only fund for which the Town legally adopted a budget. The Budgetary Comparison Schedule – Budgetary Basis – Budget and Actual – General Fund provides a comparison of the original and final budget and the actual expenditures for the current year.

Fiduciary Funds: These funds are used to account for resources held for the benefit of parties outside the Town of Naples. These funds are not reflected in the government-wide financial statements because the resources of these funds are not available to support the Town's own programs. The accounting used for fiduciary funds are much like that of proprietary funds. They use the accrual basis of accounting.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the Government-Wide and the Fund Financial Statements. The Notes to Financial Statements can be found following the Fiduciary Fund Financial Statements.

Required Supplementary Information

The basic financial statements are followed by a section of required supplementary information, which includes a Budgetary Comparison Schedule – Budgetary Basis – Budget and Actual – General Fund.

Other Supplementary Information

Other supplementary information follows the required supplementary information. These combining and other schedules provide information in regards to nonmajor funds, capital asset activity and other detailed budgetary information for the general fund.

Government-Wide Financial Analysis

Our analysis below focuses on the net assets, and changes in net assets of the Town's governmental activities. The Town's total net assets decreased by \$10,223 from \$10,212,537 to \$10,202,314.

Unrestricted net assets - the part of net assets that can be used to finance day-to-day operations without constraints established by debt covenants, enabling legislation, or other legal requirements - decreased to a balance of \$4,247,564 at the end of this year.

Financial Analysis of the Town's Fund Statements

Governmental funds: The financial reporting focus of the Town's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information may be useful in assessing the Town's financial requirements. In particular, unassigned fund balance may serve as a useful measure of a government's financial position at the end of the year, and the net resources available for spending.

The general fund total fund balance decreased by \$58,537 from the prior fiscal year. Highways and bridges increased by \$226,050, while the Chaplin trust increased by \$12,653. The non-major fund balances decreased by \$322,803 from the prior fiscal year.

Budgetary Highlights

There was a significant difference between the original and final budget for the general fund. The difference was the use of committed fund balances.

The general fund actual revenues were under budget by \$166,659. This was a result of most revenues being receipted under budget.

The general fund actual expenditures were under the budget by \$788,552. All expenditures were under budget with the exception of health and sanitation and debt service interest.

Capital Asset and Debt Administration

Capital Assets

As of June 30, 2012, the net book value of capital assets recorded by the Town increased by \$565,692 from the prior year. This is the result of current year additions of \$1,251,893 less current year depreciation of \$686,201.
