**RE: Subdivision Amendment, Forest Ridge**

Dear Renee',

Thank you for meeting with me last week and reviewing the attached plan. We are requesting revised building setbacks on Lots 2 and 10 and revised wetland setbacks on Lots 1, 3, and 8. This change will bring the plan into conformance with the current zoning standards. No other changes are planned at this time.

Thank you again for your help.

Respectfully,

Thomas S. Greer, P.E.
