MAP: _____ LOT: _____

FEE: \$20.00 PERMIT #: _____

OWNER: _____ PHONE: _____

ADDRESS OF REMOVAL SITE: _____

CONTRACTOR (Name/Phone): _____

SITE PLAN (Please show location of trees in reference to property line and bodies of water, if applicable.)

COMMENTS / REASON OF REMOVAL:

Replanting Required? ___yes ___no If yes, how many? _____ Tree(s) planted must be native tree species at least 4 feet tall, planted nearby the tree removal location that caused a shortage of points in the grid. These trees must be planted within 1 month of tree removal (frozen ground excepted), and must be kept alive indefinitely (or replaced if it dies). If “yes” above is checked, this permit is issued with the condition that the property owner agrees to arrange the replanting. Failure to follow through with replanting will result in a violation.
